1. *Italicized* courses satisfy both Collin College and Texas State Core Curriculum requirements. Courses in (parentheses) indicate Texas State equivalents.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
5. Nine hours of designated “writing intensive” (WI) courses must be completed at Texas State to satisfy degree requirements.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Collin College to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
7. Students transferring with fewer than 15 hours must take US 1100. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
