1 Unless a specific course (or list of courses) is listed, select the required number of course hours fulfilling the core component area denoted (0_0). For remaining hours in Life and Physical Sciences (030), see Other Required Courses column.
2 PSY ELNA will substitute for PSY 3300.

NOTES:
1. *Italicized* courses satisfy both Dallas County and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take two semesters of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Dallas County to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. All NURS courses and courses labeled with an asterisk (*) require a grade of C or higher.
6. Students transferring with fewer than 16 hours completed after high school graduation must take US 1100. If US1100 is waived, the student must have 120 hours to graduate.
7. The most updated program requirements, prerequisites, and course descriptions in the Texas State Undergraduate Catalog are available online at [http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html](http://www.txstate.edu/curriculumservices/catalogs/undergraduate/catalogs/2014-16.html)
UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee ($75), and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: http://www.admissions.txstate.edu/future/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring to Texas State University from a community college will be placed in the catalog effective at the time of admission to the School of Nursing. Students are reminded to refer to their designated catalog for information relating to the University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.

Send official paperwork to:
Texas State University
Office of Undergraduate Admissions
429 N. Guadalupe
San Marcos, Texas 78666
512/245-2364

ADMISSION TO THE ST. DAVID’S SCHOOL OF NURSING:

One hundred junior level students are admitted to the program once a year for the fall semester. The application period begins October 1 and ends January 15 for the following fall semester.

To apply for admission you must:

• Be admitted to Texas State University for the fall semester you plan to start nursing school.
• Complete the St. David’s School of Nursing application form, supporting documents and submit the application fee.
• Have a maximum of 18 remaining credit hours (including no more than 8 science credits) to complete in the spring and summer semesters. All non-NURS courses and requirements, including the foreign language proficiency, must be completed prior to beginning the St. David’s School of Nursing.
• Have a minimum of a 2.90 GPA in all prerequisite courses, but a 3.0 is recommended to be competitive in the application process. Applicants may not be on academic probation or suspension from any college or university.
• Have a minimum of a 3.00 GPA in required science courses, with a grade of C or higher in all science courses.
• Complete Anatomy & Physiology and Microbiology courses not more than 5 years prior to admission.
• Applicant may have a maximum of eight attempts (including W’s) on the five science courses, with no more than two attempts on any one science course.
• Take the Test of Essential Academic Skills (TEAS V), an assessment of academic preparedness. You may only attempt the TEAS V two times during the application process. Submit Individual Performance Profile(s). Minimum scores are required.
• Submit two copies of a persuasive essay.
• Submit two completed professional reference forms.
• Submit to a criminal background check, processed by the Board of Nursing.
• Include copies of all unofficial college transcripts.

For the updated and detailed admission requirements and application steps, go to: www.nursing.txstate.edu

Texas State reserves the right to withdraw courses at any time, to change its fees or tuition, calendar, curriculum, degree requirements, graduation procedures, and any other requirements affecting students. Changes will become effective whenever authorities determine and will apply to both prospective students and those already enrolled.
