1. Italicized courses satisfy both Eastfield and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. This transfer planning guide shows a suggested course of study at both institutions. Students may want to consider taking select courses in summer semesters instead, provided that they are offered and are in the correct sequence needed for their degree and major program. (Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.)
3. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
4. Texas State will apply a degree up to 66 hours from an accredited two-year college.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Eastfield to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
6. Nine hours of designated “writing intensive” (WI) courses must be completed at Texas State to satisfy degree requirements.
