1. Select all four Modern Language courses from one of the following languages: American Sign Language, Arabic, French, German, Italian, Japanese, Portuguese, or Spanish.
2. BIO ELNA will substitute for BIO 1320. The additional hour will be credited as a non-advanced elective hour.
3. Select one course from the Visual and Performing Arts component area (050) of Eastfield’s Core Curriculum.
4. Select one course from ENG 2310, 2320, 2330, 2340, 2359, or 2360.
5. Requires an additional 50 hours of volunteering.

**NOTES:**
1. *Italicized* courses satisfy both Eastfield and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
3. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Eastfield to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. US 1100 may be required, depending on the number of core curriculum hours transferred and should be chosen in coordination with an academic advisor. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
UNIVERSITY ADMISSION:

1. Submit completed Texas Common Application form, $75 application fee, and all credentials to the Texas State Undergraduate Admissions Office by the stated deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Undergraduate Admissions Office. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of “A”, “B”, “C”, “D”, and “F” are computed as recorded. Grades of “W”, “P”, “Q”, and “X” are disregarded and grades of “WF” and “I” are averaged as “F”. Grades in non-transferable and technical/vocational courses are disregarded.

ADMISSION TO THE SOCIAL WORK PROGRAM:

Phase I. (Pre-Social Work Major). Any student may declare a pre-social work major and may enroll in SOWK 1350, 2375, as well as SOWK elective courses. Social work pre-majors should complete most of their general education core/liberal arts courses before applying to Phase II of the Social Work major. They must complete at least 45 credit hours, including the following: COMM 1310; ENG 1310 and 1320; MATH 1315 or 1319; PHIL 1305; SOWK 1350 and 2375; and US 1100, if required. Applicants must have a minimum 2.50 overall GPA and a minimum 2.75 GPA in SOWK and supportive courses to apply for Phase II. Students interested in Social Work must contact the College of Applied Arts Academic Advising Center for advisement.

Phase II: (Social Work Major). Students submit a formal application for admission to Phase II. An admission committee screens applicants, considering academic record and suitability for social work practice, and informs applicants in writing of their decision to admit, conditionally admit, or deny admission. When students are admitted to Phase II, their formal academic major is converted from Pre-Social Work to Social Work.

Admission into Phase II does not guarantee permission to remain in it. The Social Work faculty assesses students’ progress in the major each fall and spring semester. To be retained, the student must maintain a minimum overall GPA of 2.50 and earn a minimum GPA of 2.75 in the SOWK and supportive social science courses. Each SOWK and supportive social science course must be completed with a grade of “C” or higher. A student may repeat one upper division course twice (or two courses once). Any student who does not maintain the minimum grade requirement without more than two upper division “repeats” will not be retained.

Phase III: (Field Placement) Students who have completed all required courses for the BSW, excluding SOWK 4645 and 4650 (Field Placement), and who have met all the requirements noted above may apply for field placement. Students apply for field placement with the School’s Field Office.

The School prefers that students take SOWK 4645 and 4650 during the same semester, which requires that the student limit his/her enrollment that semester to field placement, totaling 12 hours. The student may apply to take field placement concurrently with other non-major courses, taking SOWK 4645 the first semester and SOWK 4650 the second semester, in which case the student should enroll in no more than 12 hours per semester (including field placement).
