1. BIO ELNA will substitute for BIO 1320.
2. MATH 2328 will substitute for HP 3302.
3. Select three hours from the Humanities component area (040) of El Centro College’s Core Curriculum.
4. BIO 2451 will substitute for BIO 2430.
5. Select three hours from the Visual and Performing Arts component area (050) of El Centro College’s Core Curriculum.
6. PHYS ELNA will substitute for PHYS 1320.
7. Students transferring with fewer than 16 hours completed after high school graduation must take US 1100.

**NOTES:**
1. *Italicized* courses satisfy both El Centro College and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take two semesters of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval).
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to El Centro College to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. All RTT courses and courses marked with an asterisk (*) require a grade of “C” or higher.
UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), $60 application fee, and all credentials to the Undergraduate Admissions Office by the stated admission deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring to Texas State University from a community college will be placed in the catalog effective at the time of admission to the Radiation Therapy Program. Students are reminded to refer to their designated catalog for information relating to the University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.

ADMISSION TO THE RADIATION THERAPY PROGRAM:

Admission to Texas State does not guarantee admission to the program. Admission to the program is competitive and selective. It is recommended that students arrange academic advising with an academic advisor at least once prior to making application. The academic sequence begins during the fall semester. Enrollment is limited by student/faculty ratios in the clinical components of the program.

1. Admission to Texas State
2. Satisfactory completion of all general education requirements and a minimum overall GPA of 2.75.
3. Completion of an application packet for admission.
5. A career goal statement.
6. Interview of selected candidates with admission committee.
7. A 40-hour clinical observation, with all hours completed in one week.
8. Deadline for submission of applications is January 15.
