1. CHEM ELNA will substitute for CHEM 1141.
2. Select 3 hours from the Humanities component area (040) of HCC’s Core Curriculum.
3. PSY ELNA will be substituted for FCD 1351 or PSY 3300.
4. Select 3 hours from the Visual and Performing Arts component area (050) of HCC’s Core Curriculum.
5. Students transferring with fewer than 30 hours will be required to take US 1100.

NOTES:
1. *Italicized* courses satisfy both HCC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take 2 semesters of the same foreign language.
3. If one year of general computer science was not completed in high school, students must take CS 1308, CIS 1323, or its equivalent. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to HCC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. All NURS courses and courses labeled with an asterisk (*) require a grade of C or higher.
UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: http://www.admissions.txstate.edu/future/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring to Texas State University-San Marcos from a community college will be placed in the catalog effective at the time of admission to the School of Nursing. Students are reminded to refer to their designated catalog for information relating to the University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.

ADMISSION TO THE ST. DAVID’S SCHOOL OF NURSING:

One hundred students are admitted to the program once a year for the fall semester. The application period begins October 1 through the second Friday in January for the following fall semester.

To apply for admission you must:
- Be admitted to Texas State University-San Marcos.
- Complete the School of Nursing application form and submit the application fee.
- Have a maximum of 18 remaining credit hours (including no more than 9 science credits) to complete in the spring and summer semesters. All non-NURS courses and requirements, including the foreign language and computer proficiencies, must be completed prior to beginning the St. David’s School of Nursing.
- Have a minimum of a 2.50 GPA in all prerequisite courses.
- Have a minimum of a 3.00 GPA in required science courses.
- Complete Anatomy & Physiology and Microbiology courses not more than 5 years prior to admission.
- May have one repeat of two of the following courses: BIO 2451 (Anatomy and Physiology I), BIO 2452 (Anatomy and Physiology II), BIO 2440 or 2400 (Microbiology) and NUTR 2360 (Nutrition Science).
- Take the Test of Essential Academic Skills (TEAS V), an assessment of academic preparedness covering reading, math, science, English and language usage. You may only attempt the TEAS V two times during the application process.
- Write and submit a persuasive essay.
- Submit to a criminal background check, processed by the Board of Nursing.

Texas State reserves the right to withdraw courses at any time, to change its fees or tuition, calendar, curriculum, degree requirements, graduation procedures, and any other requirements affecting students. Changes will become effective whenever authorities determine and will apply to both prospective students and those already enrolled.
