1. **Italicized** courses satisfy both North Lake and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Select three hours from the Humanities component area (040) of North Lake’s Core Curriculum list.
3. **MATH 2328** will substitute for **HP 3302** (statistics).
4. Select three hours from the Visual and Performing Arts component area (050) of North Lake’s Core Curriculum list.
5. **PHYS ELNA** will substitute for **PHYS 1110**.
6. **PSY ELNA** will substitute for **PSY 3300** (Lifespan Development).

**NOTES:**
1. **Italicized** courses satisfy both North Lake and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take two semesters of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to North Lake to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. All CDIS courses and courses marked with an asterisk (*) require a grade of “C” or higher.
6. Students transferring with fewer than 16 hours completed after graduating from high school will be required to take **US 1100**.
TEXAS STATE UNIVERSITY

UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), $60 application fee, and all credentials to the Undergraduate Admissions Office by the stated admission deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring to Texas State University from a community college will be placed in the catalog effective at the time of admission to the Communication Disorders program. Students are reminded to refer to their designated catalog for information relating to the University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.

ADMISSION TO THE COMMUNICATION DISORDERS PROGRAM:

Admission to the undergraduate CDIS Junior/Senior-level courses is competitive and selective. Admission criteria are as follows:

1. An overall GPA of 3.0
2. Completion of a minimum of 50 hours from the freshman and sophomore level courses listed on the CDIS degree plan. The student must take PHYS 1310, CDIS 1331, BIO 2430, HP 3302 and PSY 3300 as part of the 50 hours. All classes must be completed by the end of Summer 1 session in the same calendar year in which the student wishes to begin the Junior/Senior sequence and a “C” or higher must be earned in all support classes and major classes.
3. Students are ranked by their GPA in the five required classes (CDIS 1331, HP 3302, PHYS 1310, PSY 3300 and BIO 2430), and admittance in the Junior/Senior year is based on this ranking. Preference for admission is given to students who have not repeated any of the five courses. Having the minimum GPA does not guarantee acceptance into the program.
4. The application for admission is submitted to either the department or to the CHP Advising Center by May 15th.

Communication Disorders students must have a GPA of 2.75 in the major in order to graduate.
