Notes:

1. Italicized courses satisfy both NVC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited community college.
4. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
5. Students transferring with fewer than 30 hours will be required to take US 1100.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to NVC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

Minimum required: 120 semester hours
TEXAS STATE UNIVERSITY-SAN MARCOS

UNIVERSITY ADMISSION:
1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/transfer/deadlines.html
2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.
3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring directly to Texas State University-San Marcos from a community college may elect to follow the Texas State catalog in effect at the time they entered the community college or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to the University and the McCoy College requirements for curriculum, graduation, probation/suspension, and other general information.

MCCOY COLLEGE OF BUSINESS ADMINISTRATION ADMISSION:
Admission to the McCoy College is competitive, and admission requirements are beyond those set by Texas State. As a result, a student may be admitted to Texas State but denied admission to the McCoy College. A student must be admitted to the McCoy College to pursue a degree program under the college.

To be eligible to apply for admission to McCoy College, students must be granted assured admission to Texas State and must have completed at least 30 transferable semester hours including ENG 1310 (College Writing I) and ENG 1320 (College Writing II), and MATH 1329 (Mathematics for Business and Economics II), or their equivalents. Applicants will be automatically admitted to McCoy College when they have an overall GPA of 3.0 or higher. Applicants with an overall GPA below a 3.0 will be considered for admission through a competitive review process. The review is based on the grades earned in English 1310, English 1320, Math 1329 and the overall GPA from all colleges and universities attended. Students attending Texas State who are currently on academic probation are not eligible to apply.

To apply to McCoy College you must select the business major of your choice as your first major option on the ApplyTexas Application. The application deadlines for admission to the McCoy College are:

- October 15 for spring semesters
- March 15 for summer/fall semesters

All students seeking the BBA must achieve the following minimum grade-point averages: (1) 2.00 on all credit course work completed at Texas State and (2) 2.25 in the major (common business core, department major courses, and restricted advanced business electives). At least 50% of the semester hours in business required for the College’s various degree programs must be completed in residence at Texas State.
