NOTES:
1. Italicized courses satisfy both Northwest Vista and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
3. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.
4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Northwest Vista to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
6. US 1100 may be required, depending on the number of core curriculum hours transferred and should be chosen in coordination with an academic advisor. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
7. A minor is required. MATH 1316 is not accepted as a prerequisite for courses in some minors.
8. In addition to general education and departmental core requirements, this major requires specialized courses in consumer education, family and personal resource management, family finance, consumer law, family financial counseling and family policy.
1. Submit completed Texas Common Application, $60 application fee, and all credentials to the Undergraduate Admissions Office by the stated admission deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Undergraduate Admissions Office.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required.

Students transferring directly to Texas State University from a two-year college may elect to follow the Texas State catalog in effect at the time they entered the two-year college, or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to the University and College requirements for curriculum, graduation, probation/ suspension, and other general information.
