² Select both Modern Language courses from Arabic (ARAB), French (FREN), German (GERM), Italian (ITAL), Japanese (JAPN), or Spanish (SPAN).

³ Select one course from the Social and Behavioral Science component area (080) of SAC's Core Curriculum list. Students who plan to major in Anthropology may not satisfy this component area with ANTH 2351.

⁴ Select one sophomore-level ENGL course.

⁵ Select one course from the Visual and Performing Arts component area (050) of SAC's Core Curriculum list.

⁶ The number of electives a student needs to complete depends on the number of hours a student needs to achieve the required 128 hour minimum, which must include at least 39 advanced hours and at least 9 hours of writing intensive (WI) courses.

⁷ Students who plan to major in Anthropology (BS) must select a lab-based science minor, which includes biology, chemistry, physics, geology, geography, computer science, or mathematics.

NOTES:

1. *Italicized* courses satisfy both SAC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State. Courses marked with an asterisk (*) must be completed with a grade of "D" or higher.
2. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
3. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to SAC to be applied toward an associate's degree. This is commonly referred to as "reverse transfer."
