\(^4\) Select one course from the Visual and Performing Arts component area (050) of SAC’s Core Curriculum.

\(^5\) See reverse side for admission and progression requirements.

\(^6\) Students transferring with fewer than 30 hours will be required to take US 1100.

\(^7\) HA 4848 may be taken in lieu of HA 4440 and 4441. All other coursework must be completed prior to HA 4848.
**UNIVERSITY ADMISSION:**

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/transfer/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

**ADMISSION TO THE HEALTHCARE ADMINISTRATION PROGRAM:**

Admission: Any student at Texas State may declare Pre-Healthcare Administration as the major. To declare Pre-Healthcare Administration as a major, contact the Department Administrative Assistant. Pre-HA students will be admitted to the Healthcare Administration major during the last semester in which they have:

- completed all prerequisites (general education classes and other required courses);
- have a minimum Texas State GPA of 2.75;
- have a “C” in MATH 1314 (MATH 1315);
- have a passing score (70% or higher) on the GSP (grammar, spelling, punctuation) exam – contact the testing center at: http://www.txstate.edu/trec/; and
- submitted the BHA application and statement of purpose.

Field Experience and Graduation:

To be eligible to enroll in the HA internship or residency courses (HA 4440, 4441, or 4848), the student must:

- for HA 4440 or 4441, have completed all general education and junior year HA courses with a minimum grade of C and have a 2.25 GPA or better in the junior year HA courses.
- for HA 4848, have completed all other coursework towards the degree, have a minimum grade of C in all HA courses, and have a 2.25 GPA or better in the HA courses.

To be allowed to graduate with a BHA degree, a student must:

- complete all required courses.
- have a grade of C or higher in each major course.
- have a 2.00 Texas State GPA or better and 2.25 GPA or better in the major.
- have met University residence requirements.
- pass a comprehensive exam administered in HA 4141.

- All HA students must maintain a minimum major (HA) GPA of 2.25 with no grade below a C. Students are allowed to repeat each HA course once, and only once, in order to improve their major (HA) GPA or their grade in a particular course. A student having repeated a course and still not achieving a minimum grade of C will not be allowed to continue as a healthcare administration major.

- Students who participate in the internship portion of the Healthcare Administration program are required to purchase liability insurance or demonstrate proof that they are insured. Students may obtain information on liability insurance from the school office.

It is a policy of the College of Health Professions that each student must provide a Health Report completed by a physician and must take certain immunizations before the student can be placed in a clinical or internship assignment. Information on these requirements and forms to be supplied may be obtained through the school office.
