### SAC COURSE OF STUDY

#### Freshman Year-1st Semester
- **Biol 1406** (BIO 1430) ........................................... 4
- **Chem 1311, 1111** (CHEM 1341, 1141) ......................... 4
- **Engl 1301** (ENG 1310) ............................................ 3
- **Hist 1301** (HIST 1310) ........................................... 3
- **KINE activity courses** (PFW activity course)................. 1
- **Total** ........................................................................ 15

#### Sophomore Year-1st Semester
- **Biol 2416** (BIO 2450)............................................. 4
- **Chem 2223, 2323** (CHEM 2141, 2341) ....................... 5
- **Phys 1401** (PHYS 1410) ........................................... 4
- **Govt 2305** (POSI 2320) .......................................... 3
- **Total** ........................................................................ 16

#### Junior Year-1st Semester
- **BIO Advanced Electives** ............................................ 8
- **Math 2321** ................................................................. 3
- **Art, Dan, Mu, or Th 2313** ......................................... 3
- **Us 1100** ................................................................. 1
- **Total** ........................................................................ 15

#### Senior Year-1st Semester
- **BIO Advanced Electives** ............................................ 4
- **Minor/Advanced Electives** ......................................... 7-8
- **Social Science Component** .......................................... 3
- **Total** ........................................................................ 14-15

#### Freshman Year-2nd Semester
- **Biol 1407** (BIO 1431)............................................. 4
- **Chem 1312, 1112** (CHEM 1342, 1142) ....................... 4
- **Engl 1302** (ENG 1320) ............................................ 3
- **Hist 1302** (HIST 1320) ........................................... 3
- **KINE activity courses** (PFW activity course)................. 1
- **Total** ........................................................................ 15

#### Sophomore Year-2nd Semester
- **Biol 2421** (BIO 2400)............................................. 4
- **Chem 2225, 2325** (CHEM 2142, 2342) ....................... 5
- **Govt 2306** (POSI 2310) .......................................... 3
- **Spch 1311 or 1321** (COMM 1310) ......................... 3
- **Phil 1301 or 2306** (PHIL 1305 or 1320) ................. 3
- **Total** ........................................................................ 18

#### Junior Year-2nd Semester
- **BIO 4441 or 4447** .............................................. 4
- **BIO Advanced Electives** ............................................ 4
- **Math 2331** ................................................................. 3
- **Phys 1420** ................................................................. 4
- **Total** ........................................................................ 15

#### Senior Year-2nd Semester
- **BIO 4416** (WI) ...................................................... 4
- **BIO 4301** ................................................................. 3
- **Minor/Advanced Electives** ......................................... 1-2
- **Eng Literature** ......................................................... 3
- **Electives** ................................................................. 1
- **Total** ........................................................................ 12-13

---

1. A minimum of 9 “writing intensive” (WI) hours and a total of 36 advanced hours are required to graduate. An advanced course is one that is numbered above 3000 and below 5000.
2. Sixteen hours of advanced BIO electives are required of which 12 hours must be chosen from: BIO 3442 (fall), 4426 (spring), 4445 (fall), 4446 (spring) or 4447 (spring).
3. BIO 4447 can only be used to satisfy the physiology requirement or the advanced microbiology course requirement, but not both.
4. Students transferring with fewer than 30 hours will be required to take US 1100.
5. Recommended minor is chemistry or biochemistry. Minor and electives should be chosen in consultation with the academic advisor.
6. Select one course from the Social and Behavioral Sciences component area of Texas State’s Core Curriculum list.
7. Select one ENG Literature course from the Humanities component area of Texas State’s Core Curriculum list.

---

NOTES:
1. *Italicized* courses satisfy both SAC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were completed in high school, then no additional language hours will be required for the degree. In the absence of such high school language, two semesters of the same modern language must be taken at the college level.
3. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
4. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to SAC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
TEXAS STATE UNIVERSITY-SAN MARCOS

UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), application fee, and all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/transfer/deadlines.html

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

4. Submit an application for on-campus housing, if required, or apply to live off campus. Information about housing options can be found at the following link: http://www.reslife.txstate.edu/Housing-Options.html

Students transferring directly to Texas State University-San Marcos from a community college may elect to follow the Texas State catalog in effect at the time they entered the community college, or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.
