5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to SAC to be applied toward an ___ PHED activity course

4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.

3. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.

1. Select one course from the Mathematics component area (020) of SAC's Core Curriculum. Students seeking teacher certification should ___FCD 1351 ........................................................... 3

Total 36-37

Senior Year

1. Select one course from the Mathematics component area (020) of SAC’s Core Curriculum. Students seeking teacher certification should ___FCD 1351 ........................................................... 3

Total 36-37

___ FCS 4681(Student Teaching) ............................................... 6

Final Semester (Fall or Spring only)

5. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to SAC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

NOTES:
1. *Italicized* courses satisfy both SAC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
3. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.
4. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
5. May be required, depending on the number of core curriculum hours transferred and should be chosen in coordination with an academic advisor. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.

1. Select one course from the Mathematics component area (020) of SAC’s Core Curriculum. Students seeking teacher certification should ___FCD 3351 ........................................................... 3

2. Select two courses from the Natural Science component area (030) of SAC’s Core Curriculum ___FCD 3355 ........................................................... 3

3. Select one course from the Social and Behavioral Science component area (080) of SAC’s Core Curriculum ___FCD 3394 ........................................................... 3

4. Select one ENGL course from the Humanities component area (040) of SAC’s Core Curriculum ___FCD 4351 ........................................................... 3

5. Select one course from the Visual and Performing Arts component area (050) of SAC’s Core Curriculum ___FCD 4352 ........................................................... 3

6. May be required, depending on the number of core curriculum hours transferred and should be chosen in coordination with an academic advisor. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
TEXAS STATE UNIVERSITY

UNIVERSITY ADMISSION:

1. Submit completed Texas Common Application, $60 application fee, and all credentials to the Undergraduate Admissions Office by the stated admission deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Undergraduate Admissions Office.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required.

Students transferring directly to Texas State University from a two-year college may elect to follow the Texas State catalog in effect at the time they entered the two-year college, or any subsequent catalog upon approval of the Dean of their College. Students are reminded to refer to their designated catalog for information relating to the University and College requirements for curriculum, graduation, probation/suspension, and other general information.

ADMISSION TO TEACHER EDUCATION PROGRAM:

(1) An overall GPA of 2.75 or higher is required. Students will also be required to maintain a GPA of 2.75 or higher to continue to meet eligibility requirements to register for Curriculum and Instruction courses.

(2) Completion of the following coursework with a grade of "C" or better to demonstrate competency in the following skill areas:

Reading: HISTORY 1310 and 1320 and POLITICAL SCIENCE 2310 and 2320 or a course equivalent to these

Written Communication: English 1310 and ENG 1320 or their equivalents

Critical Thinking: PHIL 1305 or PHIL 1320 or its equivalent

Mathematics: MATH 1315 or 1319 or 2417 or 2471 (Mathematics at the level of College Algebra or higher is required for teacher certification. **Some degrees may require higher levels of Mathematics).

(3) Completion of COMMUNICATION 1310 or its equivalent with a "B" or better to demonstrate competency in oral communication. Students who earn a grade of "C" should schedule an interview with an OEP staff member. A grade in COMMUNICATION 1310 that is below "C" must be repeated.

(4) Attend a Teacher Education Admittance Orientation. Undergraduate students must attend a Teacher Education Admittance Orientation. Participants will learn about current teacher certification requirements, program expectations, and application procedures. The orientation session will last approximately one hour.

(5) Apply to the Teacher Preparation Program
