NOTES:
1. *Italicized* courses satisfy both St. Philip’s and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
3. Students may elect to complete courses in a different sequence where possible but should consult a counselor/advisor before doing so.
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to St. Philip’s to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”
5. Students transferring with fewer than 16 hours must take US 1100. If US 1100 is not required, a one-hour elective may be required in order to meet the minimum hours required for the degree.
6. Majors must complete 24 upper division (3000 – 4000 level) hours in German and maintain a GPA of at least 2.50 in all upper division German course work to meet the graduation requirements.
7. A minor is required and may be selected from any of the Texas State approved minors. Most minors require 18-24 hours.
8. The number of electives a student needs to complete depends on the number of hours a student needs to achieve the required 120 hour minimum, which must include at least 36 advanced hours and at least 9 hours of “writing intensive” (WI) courses.
