### ST. PHILIP’S COURSE OF STUDY

**Freshman Year-1st Semester**
- **ENGL 1301** (ENG 1310) ........................................... 3
- **HIST 1301** (HIST 1310). ......................................... 3
- **MATH 1315** (MATH 1314) ......................................... 3
- **KINE activity course** (PEW course) ........................... 1
- **BIOL 1406** (BIO 1330, 1130) .................................... 4
- **HITT 1305** (HIM 2360) ........................................... 3

**Total** 17

**Sophomore Year-1st Semester**
- **CHEM 1411** (CHEM 1141, 1341) ............................... 4
- **ENGL Literature**..................................................... 3
- **GOVT 2301** (POSI 2310) .......................................... 3
- **KINE activity course** (PEW course) ............................ 1
- **MATH 1342** (MATH 2328) ......................................... 3

**Total** 14

**Junior Year – 1st Semester**
- **RC 3313** ............................................................... 3
- **RC 3315** ............................................................... 3
- **RC 3212** ............................................................... 2
- **RC 3314** ............................................................... 3
- **RC 3316** ............................................................... 3

**Total** 13

**Summer Semester**
- **RC 3333** ............................................................... 3
- **RC 3232** ............................................................... 2
- **RC 3334** ............................................................... 3

**Total** 8

**Senior Year – 2nd Semester**
- **RC 4223** ............................................................... 2
- **RC 4321** ............................................................... 3
- **RC 4322** ............................................................... 3
- **RC 4225** ............................................................... 2
- **RC 4224** ............................................................... 2

**Total** 12

**Freshman Year-2nd Semester**
- **ENGL 1302** (ENG 1320) .......................................... 3
- **HIST 1302** (HIST 1320) .......................................... 3
- **SPCH 1311 or 1321** (COMM 1310) ............................ 3
- **BIOL 2420** or 2421 (BIO 2440 or 2400) ...................... 4
- **BIOL 2404** (BIO 2430) ........................................... 4

**Total** 16

### TEXAS STATE COURSE OF STUDY

**Prior to Admission to the Program**
- **US 1100** .............................................................. 1

**Total** 1

**Junior Year – 2nd Semester**
- **RC 3322** ............................................................... 3
- **RC 3321** ............................................................... 3
- **RC 3323** ............................................................... 3
- **RC 3324** ............................................................... 3
- **RC 3125** ............................................................... 1

**Total** 13

**Senior Year – 1st Semester**
- **RC 4211** ............................................................... 2
- **RC 4212** ............................................................... 2
- **RC 4314** ............................................................... 3
- **RC 4316** ............................................................... 3
- **RC 4317** ............................................................... 3

**Total** 13

Note: Courses with an asterisk (*) must be taken in sequence and completed with a grade of C or higher in order to progress to the next semester.

---

1 Select one course from the Humanities component area (040) of St. Philip’s Core Curriculum list.
2 Select one course from the Visual and Performing Arts component area (050) of St. Philip’s Core Curriculum list.
3 PHYS ELNA will substitute for PHYS 1110.
4 Students transferring with fewer than 16 hours completed after high school graduation must take US 1100.

**NOTES:**
1. *Italicized* courses satisfy both St. Philip’s and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take two semesters of the same foreign language.
3. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
4. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to St. Philip’s to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

1/28/2014
UNIVERSITY ADMISSION:

1. Submit ApplyTexas Admission Application online (www.ApplyTexas.org), $60 application fee, and all credentials to the Undergraduate Admissions Office by the stated admission deadline (Fall-July 15, Spring-November 15, Summer I-May 1, Summer II-June 15).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded.

Students transferring to Texas State University from a community college will be placed in the catalog effective at the time of admission to the School of Nursing. Students are reminded to refer to their designated catalog for information relating to the University, College, and/or Departmental requirements for curriculum, graduation, probation/suspension, and other general information.

Send official paperwork to:
Texas State University
Office of Undergraduate Admissions
429 N. Guadalupe
San Marcos, Texas 78666
512/245-2364

ADMISSION TO THE RESPIRATORY CARE PROGRAM:

The BSRC Program is a 120-hour degree and competitive admission to the BSRC Program is granted each fall with a cohort size of 40. Application deadline is May 1 for consideration of admission to the fall class each year.

Admissions Requirements:
To be considered for admission to the Respiratory Care Program, applicants must meet or exceed the following requirements:

• Confirmed admission to Texas State University,
• Complete all RC Pre-requisite Courses with an overall GPA of 2.5 or higher,
• STRONGLY RECOMMENDED: Complete RC 2213, Introduction to Respiratory Care, with a minimum earned grade of “C” offered on the San Marcos campus each spring semester or during the summer as an online course,
• Complete the BSRC Admission Packet (no application fee) and submit by May 1.

IMPORTANT: Background checks, drug screening, and proof of immunization are required following initial acceptance into the program. Applicants must successfully clear each of these three requirements to be fully accepted into the program.

Texas State University is not required to admit to the program an applicant with a flagged background check who has been given tentative clearance for a license by the Texas Department of State Health Services (TDSHS). Applicants should be aware that such clearance by TDSHS does not guarantee an applicant’s employability.

Finally, applicants should be aware that the University does not control the individual requirements of hospital systems for clinical rotations and employment and that such requirements might directly impact an applicant’s ability to complete their clinical education, obtain future employment, or obtain appropriate licensure.
