<sup>1</sup>Select one course from the Social and Behavioral Science component area (080) of VC's Core Curriculum.

<sup>2</sup>Select one course from the Visual and Performing Arts component area (050) of VC's Core Curriculum.

NOTES:

1. *Italicized* courses satisfy both VC and Texas State Core Curriculum requirements. Courses in (parentheses) indicate the course transfer equivalents at Texas State.
2. If two years of the same foreign language were not completed in high school, students must take 6-8 hours of the same foreign language.
3. If one year of general computer science was not completed in high school, students must take HP 2351 or its equivalent.
4. Texas State will apply to a degree up to 66 hours from an accredited two-year college (6-8 hours may be added with college dean approval.)
5. Students may elect to complete courses in a different sequence where possible, but should consult a counselor/advisor before doing so.

### UNIVERSITY ADMISSION:

1. Submit completed Texas Common Application form, \$40 application fee, and all credentials to the Undergraduate Admissions Office prior to March 1.
2. Submit an official transcript from each institution attended to the Undergraduate Admissions Office. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.
3. A minimum 2.25 grade point average (GPA) in all transferable courses is required. In computing the GPA, grades of "A", "B", "C", "D", and "F" are computed as recorded. Grades of "W", "P", "Q", and "X" are disregarded and grades of "WF" and "I" are averaged as "F". Grades in non-transferable and technical/vocational courses are disregarded.

### ADMISSION TO THE CLINICAL LABORATORY SCIENCE PROGRAM:

1. Complete University admission process prior to the March 1 deadline. Students are selected in the spring semester of their sophomore year for the junior year. Acceptance to the University does not guarantee acceptance into the CLS program.
2. Submit completed application form to the CLS program chair. Applications to the program are accepted from January 1 through March 1.
3. Students are encouraged to maintain an overall grade point average above 2.50.
4. Schedule a personal interview with the CLS program chair.

It is strongly recommended that students present themselves for advising as soon as CLS has been selected as a major. Course offerings and sequencing are such that advising is recommended to avoid scheduling problems.

Student selection for the junior year is made on the basis of scholastic ability, particularly in the sciences, and a personal interview, and not on the basis of race, color, religion, gender, age, or national origin, veteran status, or condition of disability. Enrollment is limited to 20 students per year.
