

## **RRHEC Early Childhood-6<sup>th</sup> Grade (EC-6) ESL Generalist Undergraduate Advising Information**

Texas State University-San Marcos offers classes in the Williamson County area (just north of Austin) at the Round Rock Higher Education Center (RRHEC). The RRHEC is housed in the Avery Building, which was completed in August 2005. The Avery Building is located on University Boulevard in Round Rock, approximately 2-3 miles east of Interstate 35.

This packet contains information for those without a 4-year college degree (undergraduates) who want to become elementary school teachers. The Texas State RRHEC program offers certification to teach in a regular Pre-Kindergarten through 6<sup>th</sup> grade classroom. Other certifications are available at Texas State University in San Marcos. Contact the College of Education Undergraduate Advising Center, at 512-245-3050 for more information.

This packet provides information about which classes to take at a junior/community college (e.g., Austin Community College--ACC, Temple Junior College--TJC) and about transferring to Texas State University-San Marcos at the RRHEC location for the last 2 years. Upon graduating from Texas State, you will have a Bachelor of Science in Interdisciplinary Studies and have met the coursework requirement for the **EC-6/ESL Generalist** certification. For more information about certifications in Texas, refer to the State Board for Educator Certification (SBEC) website included in this packet.

**Please read all of the information in the packet before contacting the appropriate advisor.**

This 6-page packet includes:

- *Advisors* to contact by e-mail or phone.
- *Useful Websites* for more information, including the Texas State (TxSt) Transfer Course Equivalencies.
- *Worksheet for Advisement*. Lists the classes required for degree completion and indicates:
  1. Which courses are available through TxSt at the RRHEC (those listed as “No equiv”)
  2. Equivalent courses at ACC or TJC for this degree (74 hrs. is the maximum junior college hours that may be transferred into this degree plan)
- “*When do I begin the RRHEC teacher preparation program?*” diagrams a student for 5 semesters at ACC and illustrates when to apply to TxSt for classes at the RRHEC.
- *Frequently Asked Questions*

ENG 2323	2323	2320					Any 3-hr 050 course from ACC or TJC Core Curriculum 050: (may not satisfy more than Refer to Texas State one requirement, e.g. Transfer Equivalencies MUSI 1301, DRAM 1351) Website.	
ENG 2327	2327	2359						
ENG 2328	2328	2360						
ENG 2332	2332	2330						
ENG 2333	2333	2340						
ENG 2342	2370	ELNA						
ENG 2343		ELNA						

\*To be taken by correspondence studies through Texas State ([http://www.studyanywhere.txstate.edu/corr\\_course\\_offerings](http://www.studyanywhere.txstate.edu/corr_course_offerings)).

### APPROPRIATE SCIENCE CLASSES (RRHEC EC-6/ESL GEN. ONLY--FALL 2004 OR LATER)

In lieu of the GS 3310 and 3320, which do not have equivalents at ACC or TJC, students may take two of the following classes at **ACC**: CHEM 1405, BIOL 2306, BIOL 1408, BIOL 1409, GEOL 1305, GEOL 1403. At **TJC**, CHEM 1305 or 1405 (not both), CHEM 1311, BIOL 1406, BIOL 1407, and GEOL 1303 are acceptable science substitutions. Always verify classes with the TxSt Transfer Course Equivalencies to avoid repeated and non-transferable courses:

([http://catsweb.txstate.edu/catsweb/am/e000000\\_wb0.htm](http://catsweb.txstate.edu/catsweb/am/e000000_wb0.htm)).

### GUIDELINES FOR ENROLLING IN TEXAS STATE COURSES @ RRHEC

**To attend Texas State @ RRHEC, you can only have 6-18 hours left to take at ACC/TJC: 6 hours if beginning in Fall, up to 18 hours for Spring.** Of your last 30 hours, only six (6) can be taken outside of Texas State. Special permission is required to take more than 6 hours outside of Texas State from the last 30 hours towards the degree and permission is not usually given.

#### General steps for enrolling in Education courses @ RRHEC (subject to change)

1. Complete a minimum of 60-70 hours from those courses listed on the front of this worksheet.
2. Apply and be accepted for admission to Texas State University at least one long semester prior to starting @ RRHEC.
3. After Core Block approval, register for "Semester One" courses (*see below for suggested course sequence*) during the appropriate period. **\*\*Space availability in the RRHEC Core Block is limited--admission to Texas State does NOT guarantee Block availability.**

### RRHEC BLOCK AND COURSE SEQUENCE (EC-6/ESL Generalist only)

**Semester One (fall or spring only):** Check the TxSt schedule for class days and times. These classes are usually taken together: CI 3310, CI 3315, RDG 4320, CI 4355, ECE 4300 (Core block)

**Semester Two (fall or spring):** These classes are usually taken together: CI 3332, ECE 4352, ECE 4310, CI 4350 and CI 4360

\* A GPA of 2.50, and a "C" or better in ENG 1310, 1320, and MATH 1315/1319 are required.

**Semester Three (fall or spring, plus summer):** You will have various classes to take at the RRHEC. We recommend that you consider substitute teaching during this semester on days you have available. *Some classes will be taken during the summer semesters also.* The Education courses will include: RDG 3321, RDG 3320, RDG 3315, CI 4325, SPED 4344, PE/HED 3321  
\*Attend the **MANDATORY Student Teaching Roundup** at the start of this semester. *This begins the student teaching application process.*

\*Take the appropriate **practice TExES exams** during this semester. Refer to the education website (<http://www.education.txstate.edu/>) for additional information.

**Semester Four (fall or spring):** Student Teaching: EDST 4687. You will teach all day, M-F, and should not take any other courses this semester. The S.T. semester is full-time, 6 hours credit, and is NOT a paid teaching position.

\***Apply on-line for graduation through CatsWeb at the start of the semester. See schedule of classes for deadline.**

\***Take required TExES exams: Pedagogy and Professional Responsibility EC-6/ESL Tests.**

\*Upon completion of ALL certification requirements (student teaching, graduation, passing TExES scores), apply for certification on-line. Refer to Certification application procedures online at <http://www.education.txstate.edu/directorypages/advising.html>.

Students are ultimately responsible for knowing and fulfilling all University, College, Major and Certification requirements. Failure to meet requirements and stated deadlines may delay graduation. Students who, at any time, are unsure about academic requirements towards the degree/certification are encouraged and expected to meet with an advisor, adhering to the posted advising schedules and procedures. This worksheet is intended as a quick and easy guide for your degree/certification but does not substitute for a Degree Audit Report (DAR). It is important that you meet with an advisor and refer to all information given to you throughout the course of your tenure at Texas State. Students are also encouraged to refer to the Undergraduate Texas State Catalog and Schedule of Classes for additional official information and semester calendars. The College of Education website (<http://www.education.txstate.edu/>) may provide answers to most questions students have about major and certification requirements.

For additional information: Contact Ms. Sheresa Edgington via email at [se14@txstate.edu](mailto:se14@txstate.edu) or by phone (512-716-4034). You may also visit the RRHEC website at <http://www.rrhec.txstate.edu/> or call us at 512-716-4000 if you have additional questions

## When do I begin the Texas State RRHEC undergraduate education program?

The following is an example (using ACC classes) of how to determine when to begin the EC-6/ESL Generalist program at RRHEC. These courses do not have to be taken in this order. This is only an example and is subject to change in accordance with university and state requirements.

Semesters at ACC (example):				
Fall Semester 1	Spring Semester 2	Fall Semester 3	Spring Semester 4	Fall Semester 5
ENG 1301* HIS 1301* MATH 1314/1324* PHYS 1405 ART 1301/1311	ENG 1302* HIS 1302* SPCH 1311 PHYS 1407 HUMA 1301*	ENG literature* GOVT 2305* MATH 1350 BIOL 1309* KINE activity (1 hr.)	GOVT 2306* GEOG 1303 MATH 1351 DRAM 1351 KINE activity (1 hr.)	general science (3 hrs. from pg 4 list) general science (3 hrs. from pg 4 list) MUSI 1301 PHIL 1301*
<p><b>Remaining non-RRHEC Classes</b> FCD 3355/3359 or approved Elective (3 hrs.)*</p>		<p><u>None</u> of the above are available through TxSt @ RRHEC; they are all <b>non-RRHEC courses!</b></p> <p>* = Available through Texas State Correspondence ** = <b>TxState Foreign Language Requirement:</b> 2 yrs. of the same foreign language in high school, or 2 semesters of the same foreign language for college credit</p>		

### Texas State University RRHEC EC-6/ESL Generalist Program

Students who attend summer school will be ready to begin the RRHEC program sooner than those who do not. The information below will help you determine when to apply to Texas State.

**Remember: The maximum junior college hours that can be applied towards this degree is 74 hours.** Therefore, some of the classes above (non-RRHEC courses) **MUST** be taken from Texas State University-San Marcos, other 4-year colleges/universities, or through Texas State Correspondence. Correspondence courses can be taken at any time but require a separate application process. Information on correspondence courses can be found at: <http://www.studyanywhere.txstate.edu/>

#### 6 or fewer non-RRHEC hours remaining?

You must be accepted to Texas State and approved by the Curriculum & Instruction Dept. to register for the Core Block education courses (4 of the first 5 classes). Acceptance to Texas State is **NOT** automatic approval for the Core Block, and does **NOT** guarantee the availability of RRHEC education courses!

#### More than 6 non-RRHEC hours, but less than 18 non-RRHEC hours remaining?

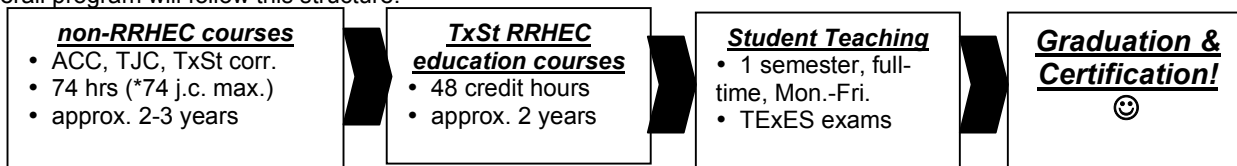

You must be accepted to Texas State and approved by the Curriculum & Instruction Dept. to register for the Core Block education courses (4 of the first 5 classes). Acceptance to TxState is **NOT** automatic approval for the Core Block, and does **NOT** guarantee the availability of RRHEC education courses!

Follow *EC-6/ESL Generalist coursework @ RRHEC for Fall/Spring* (see next page).

The remaining non-RRHEC hours will be taken during summer school when you are not attending RRHEC classes. \*Remember that in order to graduate from TXST, 24 of your last 30 hours must be from TxState.

## Frequently Asked Questions:

- ✓ **What is this degree offered through the RRHEC?** The B.S. in Interdisciplinary Studies. Completion of this program allows you to apply for certification to teach in a standard pre-K through 6<sup>th</sup> grade classroom (EC-6/ESL Generalist).
- ✓ **What if I want to teach a different grade level or subject?** The EC-6/ESL Generalist is the only undergraduate teacher preparation program offered at the RRHEC. For other certification levels, you would need to attend Texas State in San Marcos.
- ✓ **Do I take all my classes at the RRHEC?** No. The only TxSt classes at RRHEC are upper division courses and they are indicated on the worksheet as "No equiv". ALL other courses for this degree must be completed through other institutions or correspondence (non-RRHEC courses). Typically, courses are taken through junior colleges such as ACC, TJC, or through Texas State correspondence.
- ✓ **Does ACC have classes at the RRHEC?** Yes, ACC does offer some freshmen/sophomore-level courses at the Avery Building. Remember that classes offered by ACC follow their guidelines, regulations, registration, etc. These classes must still be transferred to TxST to count towards the B.S. degree, and they count as junior college hours.  
\*74 hours is the maximum number of junior college (2-year) hours you can apply towards this degree. If all your non-RRHEC coursework is done at a junior college, you may need at least two extra courses from a 4-year institution.
- ✓ **Are all the classes at night?** No. Typically, only a few courses in the EC-6/ESL Generalist program will be offered in the evening.
- ✓ **When do I start at the RRHEC?** The diagram (pg.5) describes a typical outline for degree completion. In general, the overall program will follow this structure:

- ✓ **How do I apply to the program at the RRHEC?** You must be accepted for admission through the Texas State University-San Marcos Undergraduate Admissions Office (<http://www.admissions.txstate.edu/>). You must contact the Round Rock advisor one long semester before you want to begin your education courses. There is no separate application to take courses at the RRHEC.
- ✓ **I've been admitted to Texas State University. What's next?**
  - You must be accepted to Texas State University and make an appointment with Academic Advisor at Round Rock.
  - You must be of junior standing (completed at least 60 hours) or higher and eligible to take upper-division courses (3000-4000 level).
  - You must have completed a minimum of 60-70 hours from the enclosed advising worksheet (i.e., be of Junior standing). However, it is suggested that you have no more than 6 hours of non-RRHEC courses left to complete if you start in a fall semester (no more than 18 hours for a Spring start).
  - You should have at least a 2.50 GPA overall.
  - Advance Registration occurs in the previous long semester: i.e., Fall '09 registration takes place in Spring '09.
  - Approval to enter the block courses does NOT mean you are registered. You must register for the courses during the appropriate registration period.
  - Due to class-size limitations, approximately 40 - 49 students will be able to enroll for the Block each semester.  
\*Acceptance into Texas State does NOT guarantee you will have a seat in the Core Block. Once the block is filled, applications will still be taken; however, availability will not be determined until Late Registration, if spaces exist.
- ✓ **Do I have to Student Teach, even if I have prior classroom experience?** Yes, Student Teaching (EDST 4687) is required. Student Teaching will be the last semester of the program, and it is non-paid. Exceptions are rare and must have prior approval from Ms. Carolyn McCall, Department of Curriculum and Instruction ([cm06@txstate.edu](mailto:cm06@txstate.edu)).
- ✓ **I already have a Bachelor's degree but need to earn my teacher certification. Is this program right for me?** No. If you already possess a BA/BS from an accredited U.S. college or university, you should pursue teacher certification through a Texas State *Post-Baccalaureate* Certification program. Contact the Office of Educator Preparation for more information, [www.education.txstate.edu/oep](http://www.education.txstate.edu/oep), via phone at 512.245.7880.
