Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Texas State, students should choose in consultation with the Texas State academic advisor.

MINORITY AND NON-DISABILITY STUDENT SERVICES

Any student who did not complete two years of the same foreign language in high school will be required to take 6-8 hours of the same foreign language from an accredited college, which may include American Sign Language.

By the completion of 36 hours, a student must have passed the foreign language proficiency exam. The foreign language proficiency exam must be taken and passed prior to the student's first semester in the core curriculum. Students must complete the foreign language proficiency exam prior to the first semester with the corresponding major.

Total minimum required: 120 semester hours

1. Select any 3-4 hour course from CTC’s Core Curriculum component area (020) for Mathematics.
2. Select from the Life and Physical Sciences component area (030) of CTC’s Core Curriculum (need 7-8 hours of science total).
3. Select one ENGL course from the Language, Philosophy, and Culture component area (040) of CTC’s Core Curriculum.
4. Select any 3-hour course or three 1-hour courses from the Creative Arts core component area (050) of CTC’s Core Curriculum.
5. Select one course from the Social and Behavioral Science component area (080) of CTC’s Core Curriculum.

Core areas designated with superscript “C” are available through Texas State Correspondence Studies (www.correspondence.txstate.edu). It is recommended for students transferring with Applied Associates degrees to complete 3-12 hours of core curriculum classes through Texas State to avoid exceeding 66 hour limit (see note #3 below). Courses completed through Correspondence Studies are not covered by Financial Aid.

**OCCUPATIONAL EMPHASIS (O.E.) MODULE (48 semester hours)**

This module may be satisfied by credits earned from experiential learning (work/life experience, non-collegiate sponsored instruction, credit by examination), transfer work from other accredited institutions of higher learning, or a comprehensive cooperative education program. OCED 4350 (Occupational Assessment) is the required entry course for this module.

**PROFESSIONAL DEVELOPMENT MODULE (21 semester hours)**

Professional development sequences are individualized to students’ educational needs. Students will choose advanced level courses from at least three academic departments related to future career goals. This module of 21 hours constitutes the major for GPA calculation purposes.

**ELECTIVE MODULE (See note #5 below)**

A minimum of 120 hours toward the degree, including 36 advanced hours, must be completed. All additional hours should be chosen in consultation with the Texas State academic advisor.

**NOTES:**

1. Any student who did not complete two years of the same foreign language in high school will be required to take 6-8 hours of the same foreign language from an accredited college, which may include American Sign Language.
2. Transfer students must complete 90% of the freshman and sophomore level core curriculum, satisfied foreign language proficiency, and achieve a 2.25 or higher overall GPA in order to be eligible to register for OCED 4350 through the RRC.
3. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval).
4. Due to individualization and the unique nature of the program requirements, students should explore the OWLS website (http://www.owls.txstate.edu/undergraduate-degrees/applied-arts-sciences.html) and RSVP to attend an Undergraduate Information Session at the RRC prior to applying.
5. If transferable hours, work life credits, occupational education hours, professional development hours do not meet either the minimum 120 hours and/or the 36 advanced hours then additional courses will be recommended.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to CTC to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

TEXAS STATE UNIVERSITY

UNIVERSITY TRANSFER ADMISSION:

1. Submit completed ApplyTexas Application through www.ApplyTexas.org, $75 application fee, and all credentials to the Office of Undergraduate Admissions by the stated admission deadline (Fall - July 15, Spring - November 15, Summer I - May 1, Summer II - June 15). (Students who intend to register for OCED 4350 should plan to complete admission process to the university at least 2 months prior to the stated deadline to allow for ample time to complete additional steps required by the Occupational Education Department).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions by the stated deadline. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. A minimum 2.25 grade point average (GPA) in all transferable courses is required.

4. Visit the Round Rock Campus website to ensure you complete the appropriate steps for Getting Started at the RRC since the procedures for getting started are different from those in place at the main campus: www.rrc.txstate.edu/prospective/starting/more.html
