**OCCUPATIONAL EMPHASIS MODULE (48 semester hours)**

This module may be satisfied by credits earned from prior learning assessment (work/life experience, non-collegiate sponsored instruction, credit by examination), transfer work from other accredited institutions of higher learning, or a comprehensive cooperative education program. OCED 4350 (Occupational Assessment) is the required entry course for this module.

---

**PROFESSIONAL DEVELOPMENT MODULE (21 semester hours)**

Professional development sequences are individualized to students’ educational needs. Students will choose advanced level courses from at least three academic departments related to future career goals. This module of 21 hours constitutes the major for GPA calculation purposes.

---

**ELECTIVE MODULE**

A minimum of 120 hours toward the degree, including 36 advanced hours, must be completed. All additional hours should be chosen in consultation with the Texas State academic advisor.

---

**NOTES for degree:**

1. Any student who did not complete two years of the same foreign language in high school will be required to take 6-8 hours of the same foreign language from an accredited college, which may include American sign language.
2. Transfer students must complete 90% of the freshman and sophomore level core curriculum, satisfied foreign language proficiency, and achieve a 2.25 or higher overall GPA in order to be eligible to register for OCED 4350 through the RRC.
3. Texas State will apply to a degree up to 66 hours from an accredited community college (6-8 hours may be added with college dean approval after completion of OCED 4350).
4. Due to individualization and the unique nature of the program requirements, students should explore the OWLS website and RSVP to attend an Undergraduate Information Session at the RRC prior to applying.
5. If transferable hours, work life credits, and professional development hours do not meet either the minimum 120 hours and/or the 36 advanced hours then additional courses will be required.
6. Upon completion of certain course requirements at Texas State, students may elect to send these hours back to Austin Community College to be applied toward an associate’s degree. This is commonly referred to as “reverse transfer.”

UNIVERSITY TRANSFER ADMISSION:

1. Submit a Transfer Admission Application online through www.ApplyTexas.org, pay application fee, and submit all credentials to the Texas State Office of Undergraduate Admissions by the stated deadline: www.admissions.txstate.edu/future/deadlines.html (Students who intend to register for OCED 4350 should plan to complete admission process to the university at least 2 months prior to the stated deadline to allow for ample time to complete additional steps required by the Occupational Education Department).

2. Submit an official transcript from each institution attended to the Office of Undergraduate Admissions by the stated deadline. Students must be eligible to return (e.g., free of suspension, dismissal, or enforced withdrawal) to all previous institutions regardless of grade point average (GPA) or degrees received.

3. An overall 2.25 grade point average (GPA) in all transferable courses (minimum of 30 hours) is required. In computing the GPA, grades of A, B, C, D, and F are computed as recorded. Grades of W, P, Q, and X are disregarded and grades of WF and I are averaged as F. Grades in non-transferable and technical/vocational courses are disregarded for admission purposes.

4. Visit the Round Rock Campus website to ensure you complete the appropriate steps for Getting Started at the RRC since the procedures for getting started are different from those in place at the main campus: http://www.rrc.txstate.edu/prospective/starting.html
