11. Justification for the course action:

Degree: Master of Arts
Major: Political Science

Minor: yes
Certificate: no

Explain why the new course is needed in the curriculum and how this course may or may not affect the above degree/major/minor/certificate program. If necessary please submit the appropriate Program Addition or Change Form along with this Course Addition Form.

PS 5318 will replace POSI 5338 as part of the Master of Arts in Political Science program prefix change. This prefix change has been triggered by the lack of available course numbers under the current prefix, POSI. It will also allow students to more easily distinguish between the three graduate level programs housed within the Political Science Department which currently share the same POSI prefix.
12. Course Goals and Objectives:
- Must be specific and unique to each course.
- Must be stated in measurable terms.
- Must have distinct differences between a graduate level course and an undergraduate course (in case of stacked courses).
- Please refer to Bloom's Taxonomy of Measurable Verbs.

13. Description of Instructional Methodologies:
- Examples include lecture, discussions, group projects, role playing, simulations, modeling, field-based activities, writing, cooperative learning, inquiry, experimentation, product design, creative activities, case studies, seminars, internship activities, coaching, etc.

14. Assessment of Student Learning:
- Examples include tests, projects, presentations, performances, creative works, papers, etc.
- Above examples of assessment must include percentages of total grade assigned.
- Must have distinct differences between a graduate level course and an undergraduate course (in case of stacked courses).
15. Course Outline:

- Provide a weekly outline as appropriate for an example semester in which the course will be taught
- Must distinguish the course clearly from similar offerings in the same or other programs.
- Must indicate specific topics.
