Four Texas State CEO students introduced speakers or served as moderators at the conference. One of the students introduced a speaker at the Keynote Event which was attended by more than 1000 students. One of the Bobcat speakers, Mrs. Nina Vaca, CEO and founder of Pinnacle, was a wonderful speaker. She is a Distinguished Alum from Texas State— the youngest in history.

A huge thank you to the students who attended the Conference and represented Texas State so well!

We are very proud!

Congratulations to all of our December graduates!
