What Students Are Saying:
- I know by the time I graduate I will have learned so much from this job that I can apply to my life after college.
- I don’t usually run, but this race (Virtual Last Day 5K) motivated me to get out and do something different for exercise!
- All Group Exercise instructors are kind and encouraging and easy to follow, and have passion for what they do.
- TXST Students

187,471 miles walked or ran on treadmills
2,300 of miles traveled in virtual mileage challenge

Sports fields supported 3,060 programmed hours
