

**Publications based on research conducted at Long Branch Creek, Welsh Property,  
or Griffith League Ranch**

- Ferguson, A.W., and M.R.J. Forstner. 2005. Geographic distribution. Guadalupe County, Texas. *Lampropeltis calligaster* Herpetological Review 36(4), 469.
- Farallo, V., R. Swanson, J.R. Troy, G.R. Hood, and M.R.J. Forstner. 2008. Geographic distribution. Guadalupe County, Texas. *Hemidactylus turcicus*. Herpetological Review 39(3), 368.
- Gaertner, J.P., D. Hahn, J. Jackson, F.L. Rose, and M.R.J. Forstner. 2008. Detection of salmonellae in captive and free-living turtles using enrichment culture and polymerase chain reaction. Journal of Herpetology 42(2), 223-231.
- Vandewege, M.W., A. Harper, V. Farallo, and M.R.J. Forstner. 2009. Geographic distribution (Guadalupe County). *Gastrophryne olivacea*. Herpetological Review 40(4), 445-446.
- Farallo, V., and M.R.J. Forstner. 2010. An improved funnel trap for drift-fence surveys. Southwestern Naturalist 55(3), 457-460.
- Mali, I., D.J. Brown, M.C. Jones, and M.R.J. Forstner. 2012. Switching bait as a method to improve freshwater turtle capture and recapture success with hoop net traps. SENA 11(2), 311-318.
- Mali, I., D.J. Brown, J.R. Ferrato, and M.R.J. Forstner. 2014. Sampling freshwater turtle populations using hoop nets: testing potential biases. Wildlife Society Bulletin 38 (3), 580-585.
- Mali, I., and M.R.J. Forstner. 2014. Use of stationary microchip reader for monitoring interpond movement of freshwater turtles. Herpetological Review 45(1), 22-25.
- Villamizar-Gomez, A., I. Mali, S. Sirsi, and M.R.J. Forstner. 2015. Geographic Distribution. Guadalupe County, Texas. *Chelydra serpentina*. Herpetological Review 46(3), 381.
- Sirsi, S. I. Mali, A. Villamizar-Gomez, and M.R.J. Forstner. 2015. Geographic distribution. Guadalupe County, Texas. *Apalone spinifera guadalupensis*. Herpetological Review 46(4), 563-564.
- Mali, I., F.W. Weckerly, T.R. Simpson, and M.R.J. Forstner. 2016. Small scale–high resolution terrestrial activity of *Trachemys scripta elegans*, harvest intensity, and immediate movement responses following harvest events. Copeia 104(3), 677-682.
- Ahlbrandt, L., K. Jones, and M.R.J. Forstner. 2002. Geographic distribution. *Crotalus horridus* (Timber Rattlesnake). Herpetological Review 33(3), 227.
- Swannack, T.M., and M.R.J. Forstner. 2003. Natural history note. Diet. *Micrurus fulvius tener*. Herpetological Review 34(4), 376.
- Greuter, K., and M.R.J. Forstner. 2003. Natural history note. Juvenile growth. Houston toad (*Bufo houstonensis*). Herpetological Review 34(4), 355-356.

- Forstner, M.R.J., and T.L. Ahlbrandt. 2003. Abiotic pond characteristics potentially influencing breeding of Houston toads (*Bufo houstonensis*). Texas Journal of Science 55(4), 315-322.
- Reilly, S.M., R.W. Manning, C.C. Nice, and M.R.J. Forstner. 2005. Systematics of the Texas endemic *Blarina*. Journal of Mammalogy 86(5), 887-894.
- Swannack, T.M., J.T. Jackson, and M.R.J. Forstner. 2006. Natural History Note. *Bufo houstonensis* (Houston toad) juvenile dispersal. Herpetological Review 37(3):335 and 37(2):199-200.
- Rose, F.L., T.R. Simpson, M.R.J. Forstner, D.J. McHenry, and J. Williams. 2006. Taxonomic status of the Coastal cricket frog (*Acris gryllus paludicola*): in search of the pink frog. Journal of Herpetology 40(4), 429-435.
- Jackson, J.T., F.W. Weckerly, T.M. Swannack, and M.R.J. Forstner. 2006. Imperfect detection and number of auditory surveys for Houston toads. Journal of Wildlife Management 70(5), 1461-1463.
- Ferguson, A.W., and M.R.J. Forstner. 2006. A device for excluding predators from pitfall traps. Herpetological Review 37(3), 316-317.
- Swannack, T.M., and M.R.J. Forstner. 2007. Possible cause for the sex-ratio disparity of the endangered Houston Toad (*Bufo houstonensis*). Southwestern Naturalist 52(3), 386-392.
- Jones, M.C., T.R. Simpson, R. Manning, and M.R.J. Forstner. 2007. Texas shrews (*Blarina*) lacking external eye openings. Southeastern Naturalist 6(4), 752-754.
- Gaertner, J.P., D. Hahn, J. Jackson, F.L. Rose, and M.R.J. Forstner. 2008. Detection of salmonellae in captive and free-living turtles using enrichment culture and polymerase chain reaction. Journal of Herpetology 42(2), 223-231.
- Ferguson, A.W., W. Weckerly, J.T. Baccus, M.R.J. Forstner. 2008. Evaluation of predator attendance at pitfall traps in Texas. Southwestern Naturalist 53(4), 450-457.
- Swannack, T.M., W. Grant, and M.R.J. Forstner. 2009. Projecting population trends of endangered amphibian species in the face of parametric uncertainty. Ecological Modeling 220(2), 148-159.
- Gaertner, J.P., M.A. Gaston, D. Spontak, M.R.J. Forstner, and D. Hahn. 2009. Seasonal variation in the detection of *Batrachochytrium dendrobatidis* in a Texas population of Blanchard's cricket frog (*Acris crepitans blanchardi*). Herpetological Review 40(2), 184-187.
- McHenry, D.J., M.A. Gaston, and M.R.J. Forstner. 2010. *Bufo houstonensis* (Houston toad). Predation. Herpetological Review. 41(2), 193.
- Gaston, M.A., A. Fujii, F. Weckerly, and M.R.J. Forstner. 2010. Potential component allee effects and their impact on wetland management in the conservation of endangered anurans. PLoS ONE 5(4): e10102. doi:10.1371/journal.pone.0010102
- Jones, M., J.R. Dixon, and M.R.J. Forstner. 2011. Is bigger always better? Mate selection in the Houston Toad (*Bufo houstonensis*). Journal of Herpetology 45(4), 455-456.

- Duarte, A., D.J. Brown, and M.R.J. Forstner. 2011. Estimating abundance of the endangered Houston toad (*Bufo houstonensis*) on a primary recovery site. *Journal Fish and Wildlife Management* 2(2), 207-215.
- Brown, D., I. Mali, and M.R.J. Forstner. 2011. No difference in short-term temporal distribution of trapping effort on hoop net capture efficiency for freshwater turtles. *Southeastern Naturalist* 10(2), 245-250.
- Brown, D., J.T. Baccus, D.B. Means, M.R.J. Forstner. 2011. Potential positive effects of fire on juvenile amphibians in a southern USA pine forest. *Journal Fish and Wildlife Management* 2(2), 135-145.
