SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION:  The Texas State University System (“Owner”) on behalf of Sam Houston State University are soliciting Statements of Qualifications and Proposals (“RFQ/P”) for selection of a Construction Manager-at-Risk firm for the Lowman Student Center Addition (“Project”), on the University’s campus in Huntsville, Texas. This solicitation sets forth the terms, conditions, and requirements for prospective Construction Manager-at-Risk entities to be considered for this work. (Prospective Construction Manager-at-Risk entities submitting their qualifications and proposals in response to this solicitation are called “Respondents”). The Owner is requiring that Statements of Qualifications, Proposals and HUB Commitment Letter be submitted at the same time, but submitted in separate, sealed packages.

1.1.1 The evaluation of qualifications is the first step the Owner will take in a three-step process for selecting a Construction Manager at Risk firm for the Project as provided by Texas Education Code §51.782(e). This RFQ/P solicitation package provides the information necessary to prepare and submit Qualifications for consideration and initial ranking by the Owner. During this first step in the selection process, Owner will evaluate and rank Respondents according to fixed evaluation criteria, considering only their qualifications and independent of any cost and compensation considerations.

1.1.2 In the second step of the process, Owner will open and evaluate the Pricing and Delivery Proposals submitted in accordance with Section 4 of this RFQ/P. The results of the Qualifications and the Proposals evaluations will then be combined to determine the “best value” proposition for the Owner.

1.1.3 In the third step of the process, the “most” qualified Respondents may be requested to attend an interview with the Owner to confirm their Proposal and answer additional questions. This step usually only involves three to five of the highest ranked Respondents. Based on interview results, the Owner may readjust its evaluations of those interviewed. Owner reserves the right to conclude the evaluations and make a best value selection without conducting interviews.

1.2 PUBLIC INFORMATION:  All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (Texas Government Code, Chapter 552.001, et seq.) after the solicitation is completed. The Owner strictly complies with all statutes, court decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, if required pursuant to the provisions of Senate Bill 20 (79th Legislature 2015), the contract resulting from this solicitation will be posted on the Owner’s website.
1.3 **TYPE OF CONTRACT:** Any contract resulting from this solicitation will be in the form of the Owner’s Standard Construction Management-at-Risk Contract (CMAR), a copy of which is posted on Owner’s website at [http://www.tsus.edu/about/policies.html](http://www.tsus.edu/about/policies.html)

1.3.1 The CMAR should be viewed as a draft and is subject to change. The Uniform General Conditions may be viewed on the TSUS website at: [http://www.tsus.edu/about/policies.html](http://www.tsus.edu/about/policies.html)

1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Any clarifications or interpretations of this RFQ/P that materially affect or change its requirements will be issued formally by the Owner as a written addendum. It is the responsibility of all Respondents to check the status of formal addenda five days before the submission deadline and to obtain this information in a timely manner. All such addenda issued by the Owner before the submittals are due shall be acknowledged by Respondents in its response to the RFQ/P.

1.4.1 Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda five (5) or more days prior to the submittal deadline. Interpretations or clarifications obtained in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications. The deadline for the receipt of written questions is stated in Section 2.5.

1.4.2 **ADDENDA, IF REQUIRED, WILL BE ISSUED BY THE TEXAS STATE UNIVERSITY SYSTEM FOR THIS RFQ/P VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT:** [HTTP://ESBD.CPA.STATE.TX.US](http://esbd.cpa.state.tx.us). **REFERENCE THE RFP NUMBER PROVIDED IN THIS RFQ/P.**

1.5 **SUBMISSION OF HUB COMMITMENT LETTER, QUALIFICATIONS AND PROPOSALS:**

1.5.1 The qualifications and proposal must be received **at the address specified** in Section 1.5.2 prior to the deadline; please note that overnight deliveries such as FedEx and UPS arrive at a central campus location but are not usually delivered to the specified location until after the time deadline, and respondents are advised to use other methods of delivery or, if using an overnight delivery service, to send the responses a day earlier than usual. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline, regardless of whether it has been received by the University.

1.5.2 **DEADLINE AND LOCATION:** The Owner will receive HUB Commitment Letter (HCL), Qualifications and Proposals at the same time at the time and location described below.

All properly submitted Qualifications and Proposals will be reviewed, evaluated, and ranked by the Owner. The top five or fewer ranked Respondents may be selected by the Owner to participate in an interview process.

1.7.1 Statement of Qualifications packages shall not include any information regarding Respondent’s fees, pricing, or other compensation. Such information should be kept separate from the qualifications and should be submitted as a separate package according to this RFQ/P.

1.8 **OWNER’S RESERVATION OF RIGHTS:** The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all responses to the current solicitation and reissue a completely new solicitation involving the same project, or to simply reject any and all responses and temporarily or permanently abandon the Project. Owner makes no representations, written or oral, that it will enter into any form of agreement for any project with any Respondent to this RFQ/P and no such representation is intended or should be construed by the issuance of this RFQ/P.

1.9 **ACCEPTANCE OF EVALUATION METHODOLOGY:** By submitting its Qualifications in response to this RFQ/P, Respondent accepts the evaluation process and acknowledges and accepts that determination of the “most qualified” firm(s) will require subjective judgments by the Owner. The results of this most qualified determination will be combined with the Proposal evaluation results to determine the best value proposition for the Owner. Determinations by the evaluation committee will be subjected to routine administrative review by the TSUS executive officers but, once a selection is announced, it will not be subjected to further review.

1.10 **NO REIMBURSEMENT FOR COSTS:** Respondent acknowledges and accepts that any costs incurred from the Respondent’s participation in this RFQ/P process shall be at the sole risk and responsibility of the Respondent. Respondents submit Qualifications and Proposals at their own risk and expense.

1.12 **ELIGIBLE RESPONDENTS:** Only individual firms or lawfully formed business organizations may apply. (This does not preclude a Respondent from using consultants.) The Owner will contract only with the individual firm or formal organization that submits a Qualification.

1.13 **HISTORICALLY UNDERUTILIZED BUSINESSES SUBMITTAL REQUIREMENTS:** It is the policy of the Texas State University System and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUB) in all contracts. Accordingly, the TSUS has adopted the Policy on Utilization of Historically Underutilized Businesses (See 1.13.2). The Policy applies to all contracts with an expected value of $100,000 or more. If TSUS determines that subcontracting opportunities are probable, then a HUB Commitment Letter is a required element of the Qualifications. Failure to submit a required HUB Commitment Letter will result in rejection of the Qualifications. The HUB Subcontracting Plan (HSP) is not required by respondents as part of the RFQ submission. The HSP will be required by the selected team only. In lieu of the HSP, a HUB Commitment Letter will be required by all respondents. Submit a Letter of HUB Commitment to describe how your firm will participate and demonstrate a good faith effort in achieving the University’s HUB goals.

1.13.1 **STATEMENT OF PROBABILITY:** The Texas State University System has determined that subcontracting opportunities are probable in connection with this procurement solicitation. Therefore, a HUB Commitment Letter (HCL) is required as a part of the Respondent's Qualifications. The Respondent shall develop and administer a HCL as a part of the Respondent's Qualifications in accordance with the Policy on Utilization of Historically Underutilized Businesses (HUB).

1.13.2 Refer to the Texas State Comptrollers website for the Policy on Utilization, Historically Underutilized Business to download the latest forms and instructions: [http://www.cpa.state.tx.us/procurement/prog/hub/hub-subcontracting-plan/](http://www.cpa.state.tx.us/procurement/prog/hub/hub-subcontracting-plan/)

1.13.3 The “Statement of Probability” determines the probability for subcontracting opportunities.

1.13.4 Submit originals and copies of the HUB Commitment Letter in a separate attachment apart from the submittal of qualifications and apart from the proposal and qualifications packages as stated in Article 1.5.5 of this RFQ/P.

1.14 **CERTAIN PROPOSALS AND CONTRACTS PROHIBITED:** Under Section 2155.004, Texas Government Code, a state agency may not accept a proposal or award a contract that includes proposed financial participation by a person who received compensation from the agency to participate in preparing the specifications or request for proposals on which the proposal or contract is based. All vendors must certify their eligibility by acknowledging the following statement,
"Under Section 2155.004, Government Code, the vendor certifies that the individual or business entity named in this bid or contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate." If a state agency determines that an individual or business entity holding a state contract was ineligible to have the contract accepted or awarded as described above, the state agency may immediately terminate the contract without further obligation to the vendor. This section does not create a cause of action to contest a proposal or award of a state contract.

1.15 **SALES AND USE TAXES:** Section 151.311, Tax Code, as amended effective October 1, 1993, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include the Texas State University System. The section further permits the purchase tax-free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is "necessary and essential for the performance of the contract" and "completely consumed at the job site. "In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if "the contract expressly requires the specific service to be provided or purchased by the person performing the contract" or "the service is integral to the performance of the contract."

1.16 **CERTIFICATION OF FRANCHISE TAX STATUS:** Respondents are advised that the successful Respondent will be required to submit certification of franchise tax status as required by State Law (H.B. 175, Acts 70th Leg. R.S., 1987, Ch. 283, p. 3242). The contractor agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.

1.17 **REQUIRED NOTICES OF WORKERS' COMPENSATION INSURANCE COVERAGE:** The Texas Workers' Compensation Commission has adopted a new rule, 28 TAC, sec. 110.110, relating to REPORTING REQUIREMENTS FOR BUILDING OR CONSTRUCTION PROJECTS FOR GOVERNMENTAL ENTITIES. The rule applies to all building or construction contracts advertised for bid on or after September 1, 1994. The rule implements sec. 406.096, Texas Labor Code, which requires workers' compensation insurance coverage for all persons providing services on a building or construction project for a governmental entity. The requirements of the rule are set forth in the Uniform General and Supplementary General Conditions for the Texas State University System Building Construction Contracts.

1.18 **PREVAILING WAGE RATE DETERMINATION:** Respondents are advised that the Texas Prevailing Wage Law will be administered. The penalty for violation of prevailing wage rates has been increased from $10.00 per underpaid worker per day or portion thereof to $60.00. The Prevailing Wage Rate for General Decision Number: General Decision Number: TX160220 01/08/2016 TX220 Walker County in Texas, can be found on the following website: http://www.wdol.gov/dba.aspx

1.18 **DELINQUENCY IN PAYING CHILD SUPPORT:** Under Section 231.006, Family Code, the vendor or applicant certifies that the individual or business entity named in this contract, bid, or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this contract may be terminated and payment may be withheld if this certification is inaccurate.
