**Commencement Address**

**PATRICK ROSE**

**Saturday, December 16, 2006  
9:30 a.m.**

State Representative Patrick Rose is serving his second term as a member of the Texas House of Representatives and is the Vice-Chair of the House Committee on Civil Practices. He also serves as a member of the Higher Education Committee and the Calendars Committee. He represents House District 45 which covers Blanco, Caldwell, and Hays Counties.

During the 79th Legislature, Representative Rose passed 20 bills that address many of our local priorities. He was successful in passing legislation to lower medical malpractice insurance for doctors, to lower tax penalties for seniors, to create a new student regent position for all Texas colleges and universities, and to fund new district courts for Hays and Blanco counties.

As a member of the Higher Education Committee, he works closely with Texas State University-San Marcos on issues such as college affordability and creating merit-based scholarships.

His efforts on behalf of his constituents during his freshman session were recognized in the July 2003 issue of *Texas Monthly*, where he was featured as the "Rookie of the Year" among the Best & Worst Legislators. Representative Rose has been honored with the 2003 and 2005 Civil Justice Leadership Award, presented by Texans for Lawsuit Reform, the Texas Medical Association's Texas Medicine's Best, and the Central Texas Chapter of the American Society for Public Administration's Young Professional of the Year Award. The Independent Cattlemen's Association and the Combined Law Enforcement Association of Texas have also recognized his work.

Representative Patrick Rose is an attorney with the Ratliff Law Firm in Austin and is a licensed realtor. He lives in his hometown of Dripping Springs and is a lifelong member of Dripping Springs United Methodist Church.

## COMMENCEMENT REGALIA

---

The gowns, caps, and hoods worn at university functions date back to the early days of the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty twelfth century halls of learning. This traditional academic dress has been gradually revised to the modern form you see today.

All gowns have a semi-stiff yoke, long pleated front, and intricate shirring across the shoulders and back. The bachelor's gown is worn closed, reaches between 8 and 10 inches from the floor, and has long sleeves from which the arms exit at the wrist. The master's gown may be worn open or closed and has long pointed sleeves closed at the end, the forearm coming through a slit near the elbow, with the flowing sleeve extending down the thigh. The doctor's gown may also be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning.

The black cap with maroon and gold tassel is worn by holders of a bachelor's and master's degree; the black velvet tam with gold tassel is worn by holders of a doctoral degree.

The hood (usually not worn by holders of the bachelor's degree) is a black shell, silk-lined in the color or colors of the institution conferring the degree. The colors of Texas State University-San Marcos are shown by a maroon lining crossed with a gold chevron. The velvet border of the hood is the color signifying the field of learning in which the degree was earned and not in the department in which the major was done. Thus, a degree conferred as master of education with a major in physical education requires the light blue of education rather than the sage of physical education. Similarly, the "doctor of philosophy" degree requires the royal of philosophy, not the color of the department in which the major of study was done.

Colors signifying various fields of learning, which you may see today, include:

Agriculture.....	Maize	Medicine .....	Green
Architecture .....	Blue Lilac	Music.....	Pink
Arts, Letters, Humanities.....	White	Nursing.....	Apricot
Commerce, Accountancy, Business .....	Drab	Oratory (Speech) .....	Silver Grey
Dentistry.....	Lilac	Pharmacy.....	Olive
Economics .....	Copper	Philosophy.....	Royal
Education .....	Light Blue	Physical Education.....	Sage
Engineering.....	Orange	Public Administration, Foreign Service.....	Peacock
Fine Arts.....	Brown	Public Health .....	Salmon Pink
Forestry.....	Russet	Science .....	Gold
Journalism .....	Crimson	Social Work.....	Citron
Law .....	Purple	Theology.....	Red
Library Science .....	Lemon	Veterinary Science.....	Gray

The universities represented by colors lining the hoods worn by our faculty are numerous; two examples are Baylor's dark green and gold, and Texas A&M's maroon and white. Please feel free to ask individual faculty members which institutions their colors represent.

## **THE CEREMONIAL MACE**

---

The use of a mace during university graduation ceremonies combines symbolic communication with the principle of vested authority at the most traditional and sacred of academic celebrations. The mace emphasizes the principle for which institutions of higher learning stand. It is a visible symbol of both the specific history of the institution as well as the more universal commitment of high quality in education, and the search for truth and beauty through the interaction of many academic disciplines. The mace bearer leads the faculty procession during a formal graduation ceremony. The mace, as a symbol of authority, adds meaning and dignity to the commencement ritual. Throughout the ceremony it reminds participants and spectators that education is one of the single most important aspects of freedom and democratic government.

## **THE TEXAS STATE UNIVERSITY-SAN MARCOS MACE**

---

The top of a mace is usually adorned with a symbol that is particularly significant to its university. It is appropriate that the Indian Blanket should be the symbol on top of the Texas State mace. The Indian Blanket, a native Texas wildflower technically known as the *Gaillardia pulchella*, holds a special significance for our university, since the school colors were selected from it. The mace flower was hand carved from four types of wood: osage orange, mesquite, pecan, and dark walnut, which are all native to the state of Texas. The top of the mace is solid pecan with inlaid bronze investment castings. Divided into eight sections, the sphere represents all of the colleges at Texas State. Each section features silicon bronze investment cast carvings that exemplify the academic interests of the departments making up each college. The spherical shape of the mace head is intended to convey a message about the international nature of the university and the interactive nature of academic interests that exist among the colleges. Since the strength of a sphere is well documented in the study of solid geometry, strength should be clearly associated with the interactive nature of each college represented. Comprising the main body of the mace, the stem is turned and hand carved from native Texas pecan. The wide area of contact between the stem and the sphere emphasizes the support for higher education provided by the state of Texas. Hand carved shapes of the state of Texas, in the upper portion of the stem, reinforce the concept of support. The stand features a piece of Texas pink granite that was part of the cornerstone material from our library. The wood support on the base is native Texas mesquite that combines the beauty of both sap and heartwood. The mace was designed and built by the Department of Engineering and Technology in 1990.
