Recognition of award winners.

Texas State University does not discriminate on the basis of disability in the recruitment and admissions of students or in the operation of any of its programs and activities.
Virtual Commencement

Texas State will hold virtual commencement ceremonies for spring and summer 2020 graduates on Saturday, August 8, 2020. The ceremonies will be available on the commencement website.

The main ceremony, containing traditional ceremony elements such as degree conferral and remarks from President Trauth and Provost Bourgeois, will be streamed beginning at 10:00 a.m. CDT. Immediately following the main ceremony, individual college ceremonies will be available on the same website for viewing. These individual college ceremonies will contain remarks from the respective deans and a slide for graduates displaying their name, degree, and other achievements that are traditionally recognized at commencement. All ceremonies will remain available for viewing at a later time.

Commencement and Graduation

Commencement is a ceremony in which graduates are recognized for their academic achievements. The commencement program and virtual commencement ceremonies reflect the name and degree of each graduate as well as the honors designation based on data available at the time of publication. Therefore, this program should not be considered an official list of graduates.

Pride and Tradition

Commencement is an important rite of passage with many time-honored traditions. From the ceremonial mace to the gown worn by graduates, every detail of a commencement ceremony is steeped in pride and tradition. To read more about commencement traditions at Texas State, please visit the commencement website.

This commencement program is available for viewing online on the commencement website.

We look forward to joining our Bobcat family for August 2020 Virtual Commencement. Congratulations, graduates!

Texas is ranked amongst the leading economies in the world. In order to ensure continued economic prosperity in a technology and information dominant era, Texas needs a workforce with higher education credentials. Toward this end, Texas State University offers 98 bachelor’s, 91 master’s and specialist’s, and 14 doctoral degree programs. However, in addition to earning a degree in higher education, students need to be aware of and communicate skills that they acquire through a program of study to potential employers.

In 2015, the Texas Higher Education Coordinating Board launched the 60x30TX Texas Higher Education Strategic Plan which focuses on student success, including striving for a target of 60 percent of 25-34 year old Texans to hold a certificate or degree by 2030. Included in the new plan is a goal that states that by the year 2030, all graduates from Texas public institutions of higher education will have completed degree programs with identified Marketable Skills. Marketable Skills in the 60x30TX plan are defined as those skills valued by employers that can be applied in a variety of work settings, including interpersonal, cognitive, and applied skill areas. These skills can be either primary or complementary to a major and are acquired by students through education, including curricular, co-curricular, and extracurricular activities.

In 2019, a process was designed whereby Marketable Skills were identified for every certificate and degree program that is offered at Texas State. Through a faculty-driven reporting system that is published on the Office of the Provost and VP for Academic Affairs webpage, Texas State students have access to Marketable Skills that will facilitate decision making about their professional careers. Marketable Skills also assist graduates in building a strong a profile and resume when they seek placement in the workforce.
Message from the Alumni Association President

Congratulations, Bobcats! On behalf of the Texas State University Alumni Association, it is my pleasure to congratulate you on your graduation and welcome you to our Bobcat alumni family. As you embark on the next phase of your life, remember you are not alone – you are now one of over 200,000 Bobcats worldwide! The purpose of the Alumni Association is to increase the connection alumni have with Texas State and provide opportunities for alumni to strengthen their connection with other Bobcats. I encourage you to take advantage of the great programs and events the Alumni Association sponsors and organizes.

To get started, here are some easy ways to get involved:

Stay Connected. Join our alumni online community, be part of the Bobcat Network on social media, share your story with us on Facebook or Twitter, and stay informed about what is happening at Texas State. Discover all that Texas State has to offer you not just now, but for a lifetime. For example, looking for a job? Texas State Career Services are available to alumni, too!

Become a Life Member. Joining the Alumni Association is the perfect way to demonstrate your Bobcat Pride and Spirit, gain access to a variety of benefits and create a lasting legacy. Your membership helps you remain a vital part of the Bobcat experience, powers alumni programming, strengthens the University and enhances student life. Special rates are available exclusively for new graduates.

Be Involved. Whether participating in a Texas State Alumni Chapter or group, attending alumni events or athletic events, you can join thousands of alumni who work together to preserve the excellence of Texas State University.

Give Back. The value of your degree is enhanced by the number of alumni who give back to the University, and there are many ways to do so. Volunteering with the Association or your college/department, serving as an advocate for Texas State by recruiting prospective Bobcats, or making a contribution during Step Up for State (our annual day-of-giving), are all great ways to support the Texas State Community.

You worked hard to earn your degree, and your Alma Mater is proud of you. Remember, our slogan of “Once a Bobcat, always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State. Be a part of your Alumni Association, demonstrate your Bobcat Pride, and join the Alumni Association today at alumni.txstate.edu. I wish you all the best on your post-graduation endeavors, and I hope to meet many of you at future alumni events.

Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University.

Once a Bobcat, always a Bobcat!
