THE TEXAS STATE UNIVERSITY SYSTEM
PURCHASE ORDER TERMS AND CONDITIONS

THESE TERMS AND CONDITIONS ARE INCORPORATED INTO ALL PURCHASE ORDERS – ACCEPTANCE OF THE PURCHASE ORDER INDICATES VENDOR AGREES TO THE FOLLOWING TERMS AND CONDITIONS.

1. DELIVERY

   a. If delay in delivery is foreseen, Vendor shall notify The Texas State University System (“the System”), Office of Finance at finance@tsus.edu or (512) 463-1808. The System has the right to extend the delivery date if reasons appear valid. Default in promised delivery (without accepted reasons) or failure to meet specifications authorizes The System to purchase supplies elsewhere and charge full increase in cost, if any, to defaulting vendor.

   b. No substitutions, cancellations or price changes are permitted without the prior written approval of The System’s Office of Finance.

   c. Delivery shall be made during normal business hours (Monday – Friday, 8:00 am – 5:00 pm) to the shipping address noted on the Purchase Order (the “Order”). Materials will be considered received by The System upon final acceptance by the requestor of the goods or services.

   d. **Title and Risk of Loss.** Title to and risk of loss to any goods to be delivered under the Order will not pass to The System until The System actually receives and takes possession of such goods at the point of delivery.

2. PAYMENT

   a. **Payments.** So long as Vendor has provided The System with its current and accurate Federal Tax Identification Number in writing and Vendor is not in default under the Order, The System will pay Vendor for goods and services in accordance with the Prompt Payment Provisions of Chapter 2251, *Texas Government Code*. If The System disapproves any invoice amount, The System will give Vendor specific reasons for its disapproval in writing.

   b. **Sales Tax.** The System, an agency of the State of Texas, is exempt from Texas Sales & Use Tax on goods and services in accordance with §151.309, *Texas Tax Code*, and Title 34 *Texas Administrative Code* (“TAC”) §3.322.

   c. **Electronic Funds Transfer.** Section 51.012, *Texas Education Code*, authorizes The System to make any payment through electronic funds transfer methods. Vendor agrees to receive payments from The System through electronic funds transfer methods, including the automated clearing house system (“ACH”). Prior to the first payment under the Order, The System may confirm Vendor’s banking information. Any changes to Vendor’s banking information must be communicated to The System in writing at least thirty (30) days in advance of the effective date of the change.
d. Vendor shall submit an itemized invoice showing the purchase order number.

e. **Payment of Debt or Delinquency to the State.** Pursuant to Sections 2107.008 and 2252.903, *Texas Government Code*, Vendor agrees that any payments owing to Vendor under the Order may be applied directly toward any debt or delinquency that Vendor owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

3. **INSURANCE**

In the event the Vendor, its employees, agents or subcontractors enter premises occupied by or under the control of The System in the performance of the Order, the Vendor agrees that it will maintain public liability and property damage insurance in reasonable limits covering the obligations set forth in the Order, and will maintain workers compensation coverage (either by insurance or if qualified pursuant to law, through a self-insurance program) covering all employees performing the Order on premises occupied by or under the control of The System.

4. **TERMINATION**

a. **Termination for Convenience.** Upon written notice to the Vendor, The System may terminate the Order, in whole or in part, whenever The System shall determine that such termination is in the best interest of The System. The System shall pay all reasonable costs incurred up to the date of termination and all reasonable costs associated with termination of the Order. However, the Vendor may not be reimbursed for anticipatory profits.

b. **Termination for Default.** When the Vendor has not performed or has unsatisfactorily performed the Order, payment shall be withheld at the discretion of The System. Failure on the part of a Vendor to fulfill contractual obligations shall be considered just cause for termination of the Order and the Vendor is not entitled to recover any costs incurred by the Vendor up to the date of termination.

c. **Termination for Loss of Funding.** Performance by The System under the Order may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “Legislature”) and/or allocation of funds by the Board of Regents of The Texas State University System (the “Board”). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then The System will issue written notice to Vendor and The System may terminate the Order without further duty or obligation hereunder. Vendor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of The System.

5. **GENERAL**

a. **Representations and Warranties by Vendor.** If Vendor is a corporation or a limited liability company, Vendor warrants, represents, covenants, and agrees that it is duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization and is duly authorized and in good standing to conduct business in the State of Texas.
b. **Tax Certification.** If Vendor is a taxable entity as defined by Chapter 171, *Texas Tax Code* ("Chapter 171"), then Vendor certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Vendor is exempt from the payment of those taxes, or that Vendor is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

c. **Eligibility Certifications.** Pursuant to Sections 2155.004 and 2155.006, *Texas Government Code*, Vendor certifies that the individual or business entity named in the Order is not ineligible to receive the award of or payments under the Order and acknowledges that the Order may be terminated and payment withheld if these certifications are inaccurate.

d. **Texas Family Code Child Support Certification.** Pursuant to Section 231.006, *Texas Family Code*, Vendor certifies that it is not ineligible to receive the award of or payments under the Order and acknowledges that the Order may be terminated, and payment may be withheld if this certification is inaccurate.

e. **Products and Materials Produced in Texas.** If Vendor will provide services under the Order, Vendor covenants and agrees that in accordance with Section 2155.4441, *Texas Government Code*, in performing its duties and obligations under the Order, Vendor will purchase products and materials produced in Texas when such products and materials are available at a price and delivery time comparable to products and materials produced outside of Texas.

f. **Work Material.** All drawings, specifications, plans, computations, data, photographs, records, models, statements, reports, and other deliverables or materials prepared or produced by Vendor Parties in connection with the Services ("Work Material"), whether or not accepted or rejected by The System, are the property of The System and for The System’s exclusive use and re-use at any time without further compensation and without any restriction. Vendor grants and assigns to The System all rights in and claims to the Work Material and will cooperate with The System in obtaining or enforcing The System’s rights and claims. Vendor will not use the Work Material except as expressly authorized by this Order. Vendor will not apply for any copyright, patent or other property right related to the Work Material.

g. **Public Information.** The System strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act, Chapter 552, Texas Government Code. Vendor is required to make any information created or exchanged with the state pursuant to this contract, that is not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. The following format(s) shall be deemed to be in compliance with this provision: electronic files in Word, PDF, or similar generally accessible format.

h. **Open Records Requirement for Purchase Orders Over One Million.** For each Order that exceeds a total value of one million, and in accordance with Section 552.372 of the Texas Government Code, Vendor must: (1) preserve all contracting information (ref. Section 552.003(7), Texas Government Code) related to this Order as provided by the records retention requirements applicable to the System for the duration of this Order; (2) promptly provide to the System any contracting information related to this Order that is in the custody or possession of Vendor on request of the System; and (3) on completion of this Order, either: (A) provide at no cost to the System all contracting information related to this Order that is in the custody or possession of
Vendor, or (B) preserve the contracting information related to this Order as provided by the records retention requirements applicable to the System.

i. **Travel Expenses.** If The System specifies in writing that travel is a part of the services under this Order, Vendor agrees and acknowledges that all travel expenses will be subject to the then current rates for State of Texas employees as noted by the Texas Comptroller of Public Accounts (https://fmx.cpa.texas.gov/fmx/travel/textravel/rates/current.php) with regard to meals, lodging, mileage and all other expenses related to travel. Further, Vendor agrees and acknowledges that Vendor will not be reimbursed by The System for expenses which are prohibited, or which exceed the allowable amounts set forth by the Comptroller. As a condition precedent to receiving reimbursement for expenses and disbursements, Vendor will submit to The System receipts, invoices, and other documentation as required by The System.

j. **Debarment.** Vendor confirms that neither Vendor nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States (U.S.) federal government procurement or non-procurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs (http://www.sam.gov/) issued by the U.S. General Services Administration. “Principals” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Vendor will provide immediate written notification to The System if, at any time prior to award, Vendor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when The System issues the Order. If it is later determined that Vendor knowingly rendered an erroneous certification, in addition to the other remedies available to The System, The System may terminate the Order for default by Vendor.

k. **Access by Individuals with Disabilities.** Vendor represents and warrants (the “EIR Accessibility Warranty”) that the electronic and information resources and all associated information, documentation, and support that it provides to The System under the Order (collectively, the “EIRs”) comply with the applicable requirements set forth in Title 1, Chapter 213 of the Texas Administrative Code and Title 1, Chapter 206, Rule §206.70 of the Texas Administrative Code (as authorized by Chapter 2054, Subchapter M of the Texas Government Code.) To the extent Vendor becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Vendor represents and warrants that it will, at no cost to The System, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Vendor fails or is unable to do so, then The System may terminate the Order and Vendor will refund to The System all amounts The System has paid under the Order within thirty (30) days after the termination date.

The chief business officer of The System will examine Vendor’s claim and any counterclaim and negotiate with Vendor in an effort to resolve such claims. The parties specifically agree that (i) neither the execution of the Order by The System nor any other conduct, action or inaction of any representative of The System relating to the Order constitutes or is intended to constitute a waiver of The System’s or the state’s sovereign immunity to suit; and (ii) The System has not waived its right to seek redress in the courts.

Vendor shall cooperate with any authorized agents of the State of Texas and shall provide them with prompt access to all of the Work as requested. Vendor’s failure to comply with this requirement shall constitute a material breach of Order and shall authorize The System and the State of Texas to assess immediately appropriate damages for such failure. Vendor acknowledges and understands that the acceptance of funds under the Order shall constitute consent to an audit by the State Auditor, Comptroller or other agency of the State of Texas. Vendor shall ensure that this paragraph concerning the State’s authority to audit funds received indirectly by subcontractors through Vendor and the requirement to cooperate is included in any subcontract it awards. Furthermore, under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit.

The External Terms are null and void and will have no effect under this Order, regardless of whether The System or its employees, Vendors, or agents express assent or agreement to the External Terms. The External Terms include any shrink wrap, clickwrap, browse wrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that The System or its employees, Vendors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided by Vendor.
