Hello Honors Students,

We have a few announcements. We hope you are enjoying the summer sun!

**Volunteers Needed** – Honors needs a few volunteers to help move planters and clean up on **Friday, June 29 from 8:30-10:30 AM**. (Yes, it’s early, but it’s too hot later.) This work is needed to make space for the new Honors Hammock Haven that’s coming soon.

**Classes for Summer II** – There are still spaces in our fabulous courses for Summer II. During the fall and spring, these classes are hard to get a seat in, so this is a great opportunity to earn honors credits. The classes are HON 2309A Origins of Civilization with Prof. North, HON 2309B Re-Humanizing Communication with Prof. Burns and HON 3396C Screenwriting with Prof. Morille.

**BIO and CHEM tutors needed for Summer II and Fall** – [Student Support Services](#) is hiring tutors for the subject below. Learn more and apply [here](#). Subjects: BIO 1330, 1331, and 2400. CHEM 1341, 1342, 2341, and 2342.

Best,

Honors College
