

Yongmei Lu, Ph.D.

Department of Geography
Texas State University
San Marcos, TX 78666
Phone: 512-245-1337
Fax: 512-245-8353
Email: YL10@txstate.edu

PRINCIPAL RESEARCH AND TEACHING INTERESTS:

- Urban development, environment and health, crime, and transportation issues
- Theoretical issues of geographic information science and systems, and spatial data analysis and modeling

EDUCATION:

2001, **Ph.D.** in Geography, University at Buffalo, the State University of New York

1994, **M.S.** in Geography, Peking University, Beijing, P.R. China.

1991, **B.S.** in Geography, Peking University, Beijing, P.R. China.

EMPLOYMENT:

2018 –	Chair, Department of Geography, Texas State University
2017 – 2018	Associate Chair, Department of Geography, Texas State University
2016 (June)	Visiting Professor, School of Police Information System and Engineering, People's Public Security University, Beijing, China
2015 – 2017	Graduate Program Coordinator, Department of Geography, Texas State University
2013 -	Professor with tenure, Department of Geography, Texas State University, San Marcos, Texas
2013 (July)	Visiting Professor, School of Economics, Renmin University, Beijing, China

- 2013 (June) Visiting Professor, College of Global Change and Geosciences, Beijing Normal University, Beijing, China
- 2007 – 2013 Associate Professor with tenure, Department of Geography, Texas State University, San Marcos, Texas
- 2012 (June) Visiting Professor, School of Geography and Planning, Sun Yat-Sen University, Guangzhou, China.
- 2008 – 2011 Visiting Professor and 985-Program Research Professor (2008-09), Adjunct Professor (2009-11), School of Social Development and Public Policy, Beijing Normal University, Beijing, China
- 2009 (spring) Adjunct Professor, School of Earth and Space Sciences, Peking University, Beijing, China.
- 2001 – 2007 Assistant Professor, Department of Geography, Texas State University, San Marcos, Texas.
- 2003 – Faculty Scholar, Texas Center for GIScience, Texas State University, San Marcos, Texas
- 2004 – Research Fellow, Center for Geospatial Intelligence and Investigation, Texas State University, San Marcos, Texas
- 1995 – 1999 Graduate Assistant, Department of Geography, State University of New York at Buffalo, Buffalo, New York.
- 1994 – 1995 Research Associate, Institute of Industry Economy, Chinese Academy of Social Sciences, Beijing, China.

SELECTED PUBLICATIONS

Books:

Lu, Y. and E. Delmelle (eds) 2019 (under contract). *Geospatial Technologies for Urban Health*. Springer.

Showalter, P.S. and **Y. Lu** (eds) 2010. *Geospatial Techniques in Urban Hazard and Disaster Analysis*. Springer, The Netherlands. ISBN: 978-90-481-2237-0 (print), 978-90-481-2238-7(online)

Special Issues:

Lu, Y. and Y. Liu (eds). 2012. Special Issue on Pervasive Location Acquisition Technologies: Data and Analysis. *Computers, Environment and Urban Systems*. 36(2).

Articles:

(* indicates graduate student or post-doc fellow at the time of research)

Zhan, Z.*, W. Dong, **Y. Lu**, P. Yang, Q. Wang, and P. Jia. 2018. (revision submitted per invitation) Real-time forecasting of hand-foot-and-mouth disease outbreaks using the integrating compartment model and assimilation filtering. *Scientific Reports*.

Robinson*, A., A. Bonnette*, K. Howard, N. Ceballos, S. Dailey, **Y. Lu**, and T. Grimes. 2018. (revision submitted per invitation) Social comparisons, social media addiction, and social interaction: An examination of specific social media behaviors related to major depressive disorder in a millennial population. *Journal of Applied Biobehavioral Research*.

Yuan, Y., G. Wei*, and **Y. Lu**. 2018. Evaluating gender representativeness of location-based social media: A case study of Weibo. *Annals of GIS*, 24(3): 163-176. DOI: 10.1080/19475683.2018.1471518

Yang, J., Q. Cheng, H. Zhang, K. Chan, ...**Y. Lu**, ..., B. Xu, P. Gong. 2018. (in press). Health Cities: Unlocking the power of cities for a healthy China. *The Lancet*. DOI: 10.1016/S0140-6736(18)30486-0 (available online on April 17, 2018).

Jin*, H., **Y. Lu**. 2018. (In Press) Regionalization of school youth obesity and overweight in Texas by considering both body mass index and socioeconomic status. *GeoJournal*. 10.1007/s10708-018-9849-4 (available online January 20, 2018)

INVITED TALKS:

2018. 7. 17. GIS&S for Geographic Exploration. *Taiyuan University of Technology*. Taiyuan City, China.
2018. 7. 11. GIS for Whose Space? The Opportunities and Challenges Faced by Contemporary GIScience. *Collaborative Innovation Center of the Wisdom Central Plains of Henan Province*, China.
2018. 7. 3. GIS for Whose Space – Challenges and Opportunities in an Era of Big Data. *Institute of Agriculture Resources & Regional Planning, Chinese Academy of Agriculture Sciences*. Beijing, China.
2017. 11. 15. Public Health through the Lens of GIS - Keynote speech at *GIS Day of Texas Department of State Health Services*. Austin, TX.
2017. 04.28. GIS Supported Health Studies and Crime Analyses. Faculty of Geography, *Universidad Autónoma del Estado de México*, Toluca, México.
2016. 06. 17. GIS Supported Environmental Health Investigations. *School of Geography, Shanxi Normal University*, Linfen, Shanxi Province, China.

2016. 06. 15. Environmental Health Studies under the Support of GIS. *School of Resource and Environment Sciences, Shanxi Agriculture University, Taigu, Shanxi Province, China.*
2016. 06. 14. Investigating the Health Effects of Environment. *School of Geography, and Center for Scientific Development of Fenhe Basin, Taiyuan Normal University, Taiyuan, Shanxi Province, China.*
2016. 06.06 Environmental Health Investigation and GIS. *School of Geography and Remote Sensing, Beijing Normal University, Beijing China.*
2016. 06.02, 07, & 08 Crime and Criminal Studies Under the Support of Geospatial Information and Analysis. *School of Police Information System and Engineering, and School of Criminal Justice, People's Public Security University, Beijing, China.*
2013. 06.28 Sharing of Health and Disease Data versus Protection of Citizen Privacy and National Interest, National Workshop on GIS for Public Health, *Beijing Normal University, China.*
2012. 06.26. GIS and Spatial Statistics – Towards Discovery in Human Geography. *School of Geography and Planning, Sun Yat-Sen University, Guang Zhou, China.*
2012. 06. 19. Spatial Analysis of Air Pollution and Childhood Respiratory Diseases. *Guang Zhou University, Guang Zhou, China.*
2012. 06. 13. Spatial Variation of Adverse Health Effects of Ozone Pollution. *South China Normal University, Guang Zhou, China.*
2012. 06. 11. Wildfire Risk Analysis at Wildland-Urban Interface. *Inner Mongolia Normal University. Huhehaote, China.*
2011. 10.13. How Did I become a Scientist? *Central Texas Chapter of Association of Women in Science. San Marcos, TX.*
2011. 7. 3. Spatiotemporal Analysis of Crime and Criminal's Travel Patterns. *Chinese People's Public Security University. Beijing, China.*
2011. 3. 7. Livable City – The Megacities on the Other Side of the Earth. *Student Planning Organization, Texas State University – San Marcos. San Marcos, TX.*
2009. 9. 11. How Much Do They Love Their City – Urban Livability in Beijing. *Department of Geography Brown Bag Talk, Texas State University – San Marcos. San Marcos, TX.*

2009. 6. 5. Livable City – A Spatial Analysis of Transportation Convenience in Beijing. *Peking University*.
2009. 4. 28. The Application of GIS in Social and Economic Studies. *Beijing Union University*.
- 2009.3.11. GIS and Spatial Analysis: Towards Discoveries in Human Geography. *School of Geography, Beijing Normal University*.
- 2008.12.24. Spatial and Empirical Analysis for Urban Studies. Colloquium Talk at the *School of Social Development and Public Policy, Beijing Normal University, Beijing, China*.
2008. 11. 26. GIS and Geographical Analysis on Social Development and Public Policy Issues. *School of Social Development and Public Policy, Beijing Normal University, Beijing, China*.
2008. 10. 12. How to Better Prepare College Students for Job Marketing: Thoughts on Course Development and Student Training. *2008 Beijing Symposium on the Education and Training of Professionals in Real Property Development and Management*. Beijing Union University, Beijing, China.
2007. 7. 11. Spatial Variation of the Adverse Health Effects of Ozone Pollution. *Chinese Academy of Science*. Beijing, China.
2007. 7. 11. Cluster Correspondence: Definition, Scale, and Operational Neighborhood. *Chinese Academy of Science*. Beijing, China.
2007. 7. 5. Understanding Crime from a Spatial Perspective. *Chinese People's Public Security University*. Beijing, China.
2007. 6. 25. Spatial Autocorrelation of Paired-locations: Cluster Correspondence, Scale, and Operational Neighborhood. *Institute of Remote Sensing, Peking University*. Beijing, China.
2007. 6. 24. Spatial Aspects of Crime Analysis. *Chinese People's Public Security University*. Beijing, China.
2006. 1. 20. Catch Me If You Can – Using GIS and Spatial Statistics for Crime Analysis. *Department of Geography, University of California at Los Angeles*.
2004. 3. 9. Geography and GIS in China. *GAMMA THETA UPSILON Geographical Honor Society, Texas State University Chapter*.
2001. 1. 23. Vehicle Thefts in Buffalo, New York – Distribution and Determinants. *Department of Geography, Southwest Texas State University*.

2001. 1. 17. Vehicle Thefts in Buffalo, New York. *Department of Geography, The University of North Carolina at Greensboro.*

GRANT SUPPORTED PROJECT REPORTS:

Lu, Y. 2011. *Incorporating Service-Learning into Undergraduate GIS Teaching.* Final report for the Service-Learning Fellowship (2010-11), submitted to Service-Learning Initiative of Texas State University.

Rossmo, K., **Y. Lu**, and P. Blair. 2009. *Criminal Hunting Path: An Analysis of Spatial Behavior of Recidivists.* Final project report submitted to Bureau of Justice Assistance, Office of Justice Programs, The U. S. Department of Justice.

Tian, Ming, and **Y. Lu**. 2008. *A Study on the Coordination between Beijing and the Surrounding Areas for the Development of National Main Functional Regions.* Project report submitted to Beijing Municipal Commission of Development and Reform.

Lu, Y. 2008. *Trip Assignment Project on Journey-after-vehicle-theft in Mesa, Arizona.* Project report on the sub-awarded project from the project, *A Randomized Experiment of License Plate Recognition Technology in Mesa, AZ*, which is funded by the National Institute of Justice through the Police Executive Research Forum. Submitted to PERF on August 13, 2008.

Zhan F. B., **Y. Lu**, A. Giordano and E. J. Hanford. 2006. *Project Data Report: Initial Database Development for a Border Disease Surveillance System in Relation to Migrating Workers, Disease Vectors, and Drug Resistant Disease in the Mexico-Texas.* Border Health Initiative Project Status Report. Submitted to Brooks City-Base Foundation, Inc., under PIA FA8901-04-3-0001 and CPO FA89-1-04-3-5000.

Lu, Y. 2005. *Juvenile Justice Delinquency Intervention Project, 2003 – 2004: Project Report on Geographic Mapping and Socio-economic Analysis.* Project Report. Submitted to the Center for Safe Communities & Schools, as part of the Risk Assessment Instrument Pilot Project, supported by Office of the Governor through the Criminal Justice Division.

Zhan F. B., **Y. Lu**, A. Giordano and E. J. Hanford. 2005. *Texas-Mexico Border Health and Environmental Security Initiative - GIS for Texas-Mexico Border Environmental Health Tracking.* Border Health Initiative Project Task Report. Submitted to Brooks City-Base Foundation, Inc., under PIA FA8901-04-3-0001 and CPO FA89-1-04-3-5000.

ACADEMIC HONORS AND AWARDS:

- 2016 Alpha Chi Favorite Professor, Alpha Chi National College Honor Society.
- 2016 College of Liberal Arts Achievement Award for Excellence in Scholarly/Creative Activity, Texas State University.
- 2016 Elsevier Atlas Award for publication of research paper with broad impact (paper citation: Wu, X., **Y. Lu**, S. Zou*, L. Chen*, and B. Xu 2015. Impact of climate change on human infectious diseases: Empirical evidence and human adaption. *Environment International*. 86: 14-23)
- 2014 - Honorary Professor of International Studies, Texas State University
- 2014 Alpha Chi Favorite Professor, Alpha Chi National College Honor Society.
- 2014 Faculty Development Leave in Fall 2014, Texas State University
- 2013 Outstanding Professor Award, Graduate Forum, Department of Geography, Texas State University
- 2012 Distinguished Teaching Achievement Award for Higher Education, National Council for Geographic Education.
- 2012 Service of Excellence Award, International Association of Chinese Professionals in Geographic Information Sciences.
- 2011 Travel Award from NSF through AAG to attend and present a research paper at the International Geographical Union Regional Conference in Santiago, Chile, November 2011.
- 2010 Favorite Professor, Texas State University, the Alfred H. Nolle Chapter of the Alfred Chi National College Honor Society
- 2010 Faculty Fellow, Texas State University Service-Learning Initiative.
- 11
- 2008 Faculty Development Leave in Fall 2008, Presidential Research Leave Award for -09 Spring 2009, Texas State University.
- 2008 University Foundation of Excellence Award, Texas State University – San Marcos
- 2008 Elected to *Marcus Who is Who in America*, 110th edition (2009 edition).

- 2007- Named numerous times by the Graduating Student Recognition of Campus Support Program at Texas State University. The program recognizes faculty members who make significant impact to student's academic career.
- 2007 Funding from the Mapping and Analysis for Public Safety (MAPS) program of the National Institute of Justice to attend and present research paper at the Ninth Crime Mapping Research Conference. Pittsburg, Pennsylvania. March 28-31.
- 2007 Served on the Expert Advisory Group for the Geographic Profiling in Counterterrorism Project that was granted to the Center for Intelligence and Information at Texas State University by National Geospatial-Intelligence Agency (NGA).
- 2004 Funding from the Mapping and Analysis for Public Safety (MAPS) program of the National Institute of Justice to attend and present research paper at the Seventh Annual International Crime Mapping Research Conference. Boston, Massachusetts. March 31 – April 3.
- 2003 Young Scholars (PhD '98 or later) Travel Award (with a Maximum Award), U.S. National Committee for International Cartographic Association (ICA), 21st International Cartographic Conference (ICC), Durban, South Africa. Aug. 10-16.
- 2002 ESRI UCGIS Young Scholar Awards. University Consortium of Geographic Information Sciences, Athens, Georgia. June 26-30.
- 2001 Funding from National Institute of Justice to attend and present a paper at the Fifth Annual International Crime Mapping Research Conference. Dallas, Texas. December 1 – 4.
- 2000 Graduate Student Paper Awards, 2000 University Consortium for Geographic Information Science (UCGIS) Annual Summer Assembly. Portland, Oregon. June 21-24.
- 2000 GIScience Bowl Winner, University Consortium of Geographic Information Science (UCGIS), June, Portland.
- 1999 Elected to Who's Who Among Students in American Universities and Colleges in recognition of outstanding merit and accomplishments as a graduate student of the State University of New York at Buffalo – Graduate School.
- 1999 Student Travel Awards from AAG for the 95th AAG Annual Conference. Hawaii. March 24-27.
- 1999 Student Travel Awards and One of the five finalists for the Student Paper Competition, AAG GIS Specialty Group. 95th AAG Annual Conference, Hawaii. March 24-27.

- 1999 Student Travel Awards, AAG Economic Geography Specialty Group, 95th AAG Annual Conference. Hawaii. March 24-27.
- 1998 Graduate Student Fellowship, National Center for Geographical Information Analysis (NCGIA), for the 3rd National Conference on GIS in Public Health. San Diego, California. August 18-20.
- 1998 Student Travel Grant from the Graduate School, State University of New York at Buffalo, for the 3rd National Conference on GIS in Public Health. San Diego, California. August 18-20.
- 1996 Fellowship from National Center for Geographic Information and Analysis (NCGIS), for NCGIA conference on Spatial Technologies, Geographic Information, and the City. Baltimore, Maryland. September 9-11.

GRANTS SUPPORT AND ACTIVITIES:

- 2018 MIRG (Multidisciplinary Internal Research Grant), Texas State University. “Does
-19 Social Media Make Use Sick? – A Pilot Study of the Effects of Social Media on Physiological Reactivity and Mental Health.” **Co-PI.** \$23,784. (PI: K. Howard; other Co-PIs: N. Ceballos, T. Grimes, S. Dailey, S. Lee, S. Sharma)
- 2018 Travel Award for international and interdisciplinary activities, Center for International Studies, Texas State University. \$1,000.00
- 2018 Accelerated Funding from the Provost Office, Texas State University, “Social Media and Mental Health among College Students”. **PI.** \$12,000. (Co-PI: K. Howard, and T. Grimes)
- 2014 National Science Foundation, “NSF CC*IIE Networking Infrastructure: Enabling
-16 and Improving Data-Driven Research at Texas State University”. **Senior Personnel (Dr. X. Chen as PI).** \$499,896. (Grant# 1440637)
- 2013 Rising Scholarly Travel Activity and Research (S.T.A.R.) Grant, Texas State University to support PhD students from my research group to travel to conference and present research papers. \$1,500.
- 2011 National Science Foundation of China, “The Specialization and Concentration of
-13 Urban Functions in a 2-D Space – A Case Study of Beijing”. (“城市空间扁平分异研究—基于北京市的实证分析”) **Co-PI (Dr. Y. Yao from Renmin University, Beijing, as PI).** ¥386,000.00 for three years. (Grant# 41071111)
- 2010 Texas State University Faculty Fellow Funding, “Service-Learning: An Effective
-11 Approach to Combine Training and Education for GIS Students”. **PI.** \$1,500.

- 2008 United State Department of Justice, National Institute of Justice. “A Randomized
-10 Experiment of License Plate Recognition Technology in Mesa, AZ”. **PI**. Subaward
from the Police Executive Research Forum in the amount of \$33,000. (Grant# 2007-
IJ-CX-0023)
- 2008 United State Department of Justice, Bureau of Justice Assistance. “Criminal
-09 Hunting Paths: An Analysis of the Spatial Behavior of Recidivists”. **Co-PI (Dr.
K. Rossmo as PI)**. \$149,758. (Grant #: 2007-DD-BX-K093)
- 2008 Beijing Municipal Commission of Development and Reform. “Coordinating between
Beijing and its Surrounding Areas for the Development of National Main Functional
Regions”. ¥80,000. **One of the two PIs**.
- 2005 US Environmental Protection Agency. “Evaluation of Groundwater Chemistry in
-07 Gonzales County, Texas and Educational and Technical Assistance to
Groundwater Conservation Districts in Texas.” **Co-PI (A. Sansom as PI)**.
\$145,400.
- 2005 Office of the Governor, Criminal Justice Division, “Spatial Pattern and Socio-
economic Analysis of Juvenile Offense and Offenders’ Travel Behavior in Dallas
and Surrounding Counties: One of the two components for the Risk Assessment
Instrument Pilot Project”. **PI**. Subcontract through the Center for Safe
Communities & Schools, Texas State University. \$8,500.
- 2004 Texas State University Library Research Grants. “Urbanization in Socialist China:
A planning process or a marketing process?” **PI**. \$1,300.
- 2004 United States Department of Defense. “Border Health and Environment Threats
Security”. **Co-project director** on a team formed by researchers across Texas State
Universities (**Dr. F. Zhan as project director at Texas State University –San
Marcos**). \$94,933 for Texas State University – San Marcos geography team for
the first year for a multi-year project.
- 2003 United State Department of Justice, National Institute of Justice, Office of
-05 Science and Technology. Geographic Patterns and Profiling of Illegal Crossings
of the Southern U.S. Border. **As GIS Consultant (Dr. K. Rossmo as project
director at Texas State University – San Marcos)**.
- 2003 Southwest Texas State University Research Enhancement Program. “Building the
Right Roads – A GIS-based Traffic Analysis Method to Identify Location Needs
for New Roads and Roads Expansion”. **PI**. \$8,000.

Student Paper Competition, Graduate Student Affinity Specialty Group, American Association of Geographers

TEACHING EXPERIENCES:

Courses taught at Texas State University:

Undergraduate level courses:

Fundamentals of GIS (GEO2426)
Management and Implementation of GIS (GEO 2427)
Advanced GIS (GEO 3426)
Design and Implementation of GIS (GEO 4427)
Independent Study (GEO 4190)
Geography of Crime (GEO4355)

Master level courses:

Geographic Information Systems I (GEO 5418)
Geographic Information Systems II (GEO 5419)
Geographic Analysis (GEO 5309)
Applied Human Geography (GEO5317)
Independent Study (GEO 5190, GEO 5290, GEO5390)
Directed Research (GEO 5335)
Thesis (GEO 5399A, GEO5399B)

Ph.D. level courses:

Advanced Research Design (GEO7300)
Advanced Topics in GIScience (GEO 7361)
Dissertation (GEO 7X99)
Geographic Information Systems (GEO7417)
Independent Study (GEO 7390)
Seminar in Geographic Information Science (GEO 7372)

Course taught at Peking University (as adjunct professor)
Geographic Information Systems (co-taught with Dr. Gao, Yong in Spring 2009)

Course taught at Renmin University (as summer school professor)
GIS for Social and Economic Studies (2013 Summer International School)

Course(s) Prepared and curriculum developed:
Geography of Crime (Senior Level and Master Level stack course)
Advanced Topics in GIScience (Ph.D. Seminar)
Topics in Geographic Information Science (Ph.D. Seminar)
Geographic Information System I (Master Level)
Geographic Information System II (Master Level)
Advanced GIS II (Undergraduate Level)

GRADUATE STUDENTS:

Ph.D. dissertation committee chair:

Lin, Shing (August 2007) (Current position: Senior Product Engineer with ESRI)
A GIScience Investigation into the Relationship between Childhood Respiratory Diseases and Unhealthy Ozone Level: Environmental Inequity and health Disparity in the Houston Area

Fang, Tianfang (December 2012) (Current position: Senior GIS Analyst, Blandon & Associate)
A Pseudo Individual Real-time Measurement for Assessing Air Pollution Exposure in Selected Texas Cities

Parr, David (August 2015) (Current position: Tenure-Track Assistant Professor, Metropolitan State University of Denver, Denver, Colorado)
The Production of Volunteered Geographic Information: A Case Study of OpenStreetMap in the United States

Pickett, Jackson (December 2015, Independent Scholar)
Investigation of Gender and Race Effects on Promotion in Departments of Geography in the United States

Biegas, Tamara Christine (May 2017) (Current Position: Tenure-Track Assistant Professor, Harford Community College, Bel Air, Maryland)
Adolescent Overweight and Obesity: A Geographic Inquiry

Scholz (Wang), Ruoqing (May 2018) (Current position: Instructor, Winona State University, Minnesota)
Space-time Modeling of Urban Population Daily Travel-Activity Patterns Using

GPS Trajectory Data

Jin, H. Hannah (ABD, to graduate in December 2018)

Food Deserts, Food Swamps, and Middle-aged Adults' Obesity in Austin, Texas

Medel, Monica (ABD; Current position: Engineer, Apple Inc.)

Crime Surveillance using Social Media: Combining Data Mining and GIS Method

Ames, L. Christine (4th year)

Iyanda, Ayodeji (2nd year)

Singh, Chayanika (2nd year)

Mills, David (1st year)

PhD student committee member:

Cano Amaya, Laura (December 2014, Research Assistant Professor, Texas State University)

Resilience to What? Of What? Furthering the Development of Disaster Resilience Metrics

Chen, Xuwei (May 2006, Associate Professor with tenure, Northern Illinois University)

Microsimulation of Evacuation Strategies

Cook, Jeff (May 2007)

A Case Study Regarding Bioterrorism Readiness as a Function of Perceived Vulnerability and Ensuing Effect on Bioterrorism Vigilance among Healthcare Workers within Harris County Hospital District, Houston, Texas

Egan, Kristine (May 2006)

Geographic Analysis of Terroscapes: the Spatial Pattern of Risk, Exposure and Vulnerability to the Urban Terror Threat

Hanford, Elaine J (December 2010)

Investigating Health Consequences from Major Flood Occurrences in South-Central Texas Through the Lens of Frame Theory and Analysis, Assessing Awareness, and Communicating Risk

Nicosia, David (December 2013)

Simulating Uncertainty in Volunteered Geographic Information

Patton, Matt (December 2014)

Examining Teachers' Attitudes and Beliefs towards Messages for Teaching Geography in K-12 Education from Leaders in Geographic Education

Seal, Kathleen (December 2014)

Value, Meaning, and Therapeutic Notions of the Appalachian Trail

SERVICES:

UNIVERSITY & COLLEGE LEVEL SERVICE

Academic Program Review Team for School of Criminal Justice (2014)
Alternative Member on College of Liberal Arts Faculty Tenure & Promotion
Review Group (2017-18)
Asian Studies Board of Advisors (2006 -)

External Reviewer for Tenure and Promotion, College of Liberal Arts (2013)
Liberal Arts College Curriculum Committee (2017 - 2018)
Liberal Arts College Research Enhancement Program Review Committee (2009-10)
Liberal Arts College Study Abroad Council (2018 -)
Liberal Arts College Tenure & Promotion Review Group (2018 -)
Texas State University Graduate Council & Doctoral Council (2015 - 2017)
Texas State University Service Learning Initiative Advisory Board (2009-)
Texas State University Women and Gender Research Collaborative (2011-)

DEPARTMENTAL SERVICE

Alumni Reunion and Student Celebration Committee (Chair, 2017-18)
Colloquium Committee (2004-06, 2010-11)
Communication and Recruitment Committee (2014-16)
Departmental Brown-Bag Talk Coordinator (2009-10)
Diversity Committee (2009-10)
Equipment Committee (2003-04, 2007-08)
Evaluation Committee (2005-06, 2009-11)
Faculty advisor for graduate students with concentration in GIS / Cartography
/Remote Sensing (2001- 04)
Faculty Search Committees (2001-08, 2011-12 (Chair), 2012-13, 2013-14(Chair),
2014-15)
Faculty Coordinator for the Revision of Undergraduate and Master-level GIS
Courses (2009)
Faculty Liaison in GIS to the Undergraduate Committee (2012-)
Faculty Mentor (2010-) (four tenure-track mentees since 2010)
Faculty Search Committees (2001-08, 2011(Chair), 2012, 2013 (Chair), 2015)
Geography Brown Bag Talk Series Coordinator (2009-10)
GIScience Faculty Group Coordinator (2012-)
Graduate Committee (2001-04, 2011-, Chair since 2015)
MS/MAG Issues Ad Hoc Committee (2006-07)
Project advisor for “Developing Distance Learning Courses in Geographic
Information Science at Southwest Texas State University” (2001-02)
Recruiting and Communication Committee (2014-17)
Scholarship and Award Committee (2004-05, 2006-07, 2017-18)
Travel Committee (2002-03)

SERVICE TO COMMUNITY

Volunteer, Central Texas Food Bank, Austin, Texas (2017 -)
Volunteer, EANES Independent School District, Austin, Texas (2010 -)
Volunteer, Austin Great Wall Chinese School, Austin, Texas (2004 -)
Served on the Technical Advisory Committee for Children’s Optimal Health (an
Austin-based non-profit organization) (2009 - 2012)
Worked with the Cibolo Nature Center at the City of Boerne as a faculty advisor
for their GIS related activities (2004)

SERVICE TO PROFESSIONAL ORGANIZATIONS & INSTITUTIONS

External Reviewer for Faculty Promotion, University of Louisville (2017)
External Reviewer for Faculty Promotion, Oregon State University (2017)
External Reviewer for Faculty Hiring & Promotion, National Cheng Kung University (2017)
External Reviewer for Faculty Promotion, San Francisco State University (2015)
External Reviewer for Faculty Promotion, Georgia Southern University (2015)
President Elect (2007-08), President (2008-09), Past President (2009-10), The International Association of Chinese Professionals in Geographic Information Sciences (CPGIS)
Chair (2010-11) and Member on Board of Directors (2007-11), The International Association of Chinese Professionals in Geographic Information Sciences
Research Committee, University Consortium of Geographic Information Science (UCGIS) (2012 - 17)
Delegate of Texas State University to the University Consortium of Geographic Information Science (UCGIS) (2003 -)
Delegate of Texas State University to Texas Geographic Information Council (TGIC) (2003-07)

CONFERENCES & WORKSHOPS

Organizing Committee of the Special Theme for American Association of Geographers Annual Conference on *Geography, GIScience, and Health: Building an International Geospatial Health Research Network (IGHRN)*. April 2-7, 2019. Washington DC.

Conference Planning Committee, *Race, Ethnicity, & Place IX – Engaged Scholarship: Fostering Civil & Human Rights*. October 23-25, 2018. Austin, TX.

Conference Organization Committee, *GIS & Health Conference*. May 17-18, 2018. Austin, TX.

Conference Scientific Program Committee, *The 5th International Conference on Crime Geography and Crime Analysis*. July 6-8, 2018. Guangzhou, China.

International Steering Committee and Conference Program Committee, *The 26th International Conference on GeoInformatics*. June 28-30, 2018. Kunming, China.

Conference Scientific Program Committee, *the 13th APRU Research Symposium on Multi-Hazards around the Pacific Rim*. Aug 28-29, 2017. Beijing, China.

Chair, Conference Program Committee, Conference Organizing Committee, *the 25th International Conference on GeoInformatics*, Aug 2-4, 2017. Buffalo, NY.

Conference Scientific Committee, *the 4th International Symposium on Crime Geography and Crime Analysis*, July 6-8, 2017. Guangzhou, China.

Conference Program and Steering Committee, *the 24th International Conference on GeoInformatics*, August 14-20, 2016. Galway, Ireland.

Panel Chair, *the 7th Annual International Research Conference for Graduate Students*, November 17-18, 2015. San Marcos, Texas.

Conference Scientific Guidance Committee, International Symposium of Crime Geography, July 3-5. 2015. Guangzhou, China.

Conference Program Committee, *the 23rd International Conference on GeoInformatics*, June 19-21, 2015. Wuhan, China.

Conference Organizing Committee, *the 5th International Symposium on Integrated*

Spatial Studies of Humanity and Social Sciences. June 28-30, 2015. Beijing.
Conference Program Committee, *the 22nd International Conference on
GeoInformatics*, June 25-27, 2014. Kaohsiung, Taiwan.
Conference Technical Program Committee, *GRMSE 2013: International Conference
on Geo-Informatics in Resource Management & Sustainable Ecosystem*.
November 08-10, 2013. Wuhan, China.
Conference Program Committee, *the 21st International Conference on
GeoInformatics*, June 20-22, 2013. Kaifeng, China.
Conference International Steering Committee, *GeoInformatics 2012: The 20th
International Conference*. June 15-17, 2012. Hong Kong.
Conference Program Committee, *GeoInformatics 2011: The 19^h International
Conference*. June 24-26, 2011. Shanghai, China.
Conference Organizing Committee and International Steering Committee,
GeoInformatics 2010: The 18th International Conference. June 18-20, 2010.
Beijing, China.
Co-Chair, Conference Program Committee, *GeoInformatics 2009: The 17th
International Conference*. August 12-14, 2009. Fairfax, VA.
Chair, Organizing Committee, *CPGIS 2009 Summer Research Workshop*. June 18-19,
2009. Beijing, China.
