### **Family Campaign (#696)**

Dr. Breier and guest, Mr. Dan Perry, provided an update on 2019 Family Campaign plans. The goal is for 75 percent of faculty and staff to contribute to the Family Campaign. University Advancement is currently recruiting team leaders; the official kickoff will be February 25, 2019; and the conclusion/celebration will be the week of April 22, 2019.

### **Campus Security (#142)**

Mr. Algoe and University Police Department Chief Laurie Clouse facilitated a discussion on criminal trespass warnings (CTWs). No public institution of higher education in Texas publishes a CTW list. Because CTWs are given for a variety of reasons with no due process, Cabinet members agreed that the list should not be published externally. Mr. Algoe and Chief Clouse will develop a secure method of sharing a CTW list internally and ensure that identification cards are deactivated when a person affiliated with the university is given a CTW. Cabinet members also agreed that for admission into Texas State, an applicant must be in good academic standing and have no current CTW on file at Texas State.

### **Board of Regents Follow-Up (#57)**

Mr. Algoe reviewed actions taken at the February 2019 meeting of the Board of Regents of The Texas State University System (TSUS).
