Hello Honors Students,

This is just a reminder about the Roads to Research Grad Coffee Chat (try saying that three times fast!) tomorrow, **Friday, February 14 at 10am in Lampasas 407B**. A panel of three graduate students from varying fields offer their personal reflections on graduate student life, discuss their research experiences, and answer questions about their approaches to research. Open to all students who would like to learn more about the research process. Check out more info here: [www.txstate.edu/undergraduateresearch/resources/workshops](http://www.txstate.edu/undergraduateresearch/resources/workshops). RSVP to attend [here](http://www.txstate.edu/undergraduateresearch/resources/workshops).
