A Resolution-
A Resolution to be entitled “Texas State Ploggs” relating to the campus wide Plogging event on March 31st, 2019.

WHEREAS: Texas State University prides itself with the beautiful landscape it is established on; and

WHEREAS: An increasing concern of both students of the university and residents of San Marcos is the expanding threat of plastic pollution affecting the fragile environment; and

WHEREAS: “There are eight known species listed as endangered or threatened by the U.S. Fish & Wildlife Service and Texas Parks & Wildlife Department that live in the San Marcos region of the Edwards Aquifer, Spring Lake and the upper four miles of the San Marcos River” (Texas State University); and

WHEREAS: It is Student Government’s responsibility to lead by example for the rest of the student body; and
WHEREAS: Plogging is an activity which combines jogging with picking up litter (Swedish: plocka up), thereby reducing our plastic pollution; therefore,

BE IT RESOLVED: Student Government’s marketing department begins advertisement for the event, after the passage of this resolution; and

BE IT FURTHER RESOLVED: On March 31st members of Texas State University’s Student Government participate in a San Marcos Plogging event by either plogging themselves, or assisting in the event; and

BE IT FURTHER RESOLVED: This legislation be forwarded to the Student Body President for further action.
