- Council of Academic Deans voted unanimously to endorse the proposal and will send a written statement to the president.

**Request to Post Presidential Award Application Examples on College Websites** (Senator Conroy)

- Discussion about posting of successful Presidential Award recipient applications (with permission of award recipients) on a general TRACS site accessible by login to everyone
  - Colleges may wish to post on their individual websites with permission of award recipients
  - Senate will link to the TRACS site from a Presidential Awards information page
  - Discussion of change in policy to add to wording that successful award recipients will agree to have their applications posted on the general TRACS site

**Academic Governance Committee Survey Request** (Associate Provost Opheim)

- General discussion about expanding orientation presentation on academic governance
- Concern expressed that there is some misunderstanding among faculty of what academic governance is and how it functions
- General intent of survey is to gather information regarding best practices in various departments and colleges and to answer the question of what else (besides orientations) is being done during the academic year to reinforce faculty sharing in academic governance

### **Undergraduate Admissions Report (Dr. Michael Heintze)**

- Over 29,000 freshman applications for Fall 2016, representing an increase of 17.3% from Fall 2015 Applications that were received by this date in 2015
