Comal 116 serves as the Philosophy department’s dialogue room. Dialogues and departmental meetings will take precedent. With this in mind, please note that work day (8:00 a.m. – 5:00 p.m.) room reservations before the 4th week of each semester may be tentative – dialogue lectures/guest speakers take priority. The Philosophy department will contact you to confirm your reservation.

Please read the policies below and sign at the bottom of page before completing the reservation form.

General Usage of the Room

1. Reservations must be made using this form. Phone or email requests are not considered reservations. The room is only reserved when the completed form is received and signed.
2. Groups are responsible for their own set-up, take down, and clean up. ALL of which must be accomplished within the hours shown on the agreement form.
3. Groups must provide everything needed to conduct their event/meetings. The Philosophy staff will not be available as a resource for personnel or supplies.
4. This room has media equipment; projector, document camera, laptop hook up, PC computer.
5. All trash must be placed in large bags, tied, and left for pickup. Please do not leave the trash can overflowing or any loose trash in the room. * If the event falls on a weekend the booking party is responsible for contacting Facilities for additional trash cans and for trash removal. Custodians are not scheduled for the weekend and all trash must be removed.

Conference Room Table/s

6. The room has a long conference table, 6 round tables, and a total of 60 chairs. The long table has 16 conference chairs around it breaks down into 6 square tables that seat 8 each. All round tables have 4 red chairs around each. There are an extra 19 black chairs stacked around the room that are also available for use. The media cabinet has 1 tall chair. If you need other tables or chairs, you must arrange to have these delivered and picked up by Property Management. Conference chairs may be moved out if you do not need them, but the conference table(s) must remain inside the room.

Furniture and Walls

7. Items may not be attached to the walls or ceiling tiles. Please do not lean or push anything against the walls, including chairs, blackboards, tables, or any other furniture.
8. If you move any furniture, please regroup in original placement. Lift the furniture rather than dragging it- to protect the tile from damage.
9. **Do not move media cabinet.** There are extension cords in place that will allow you to use the plugs behind the cabinet. There are also additional plugs throughout the room.
10. Do not place food or drinks on media cabinet.
