SUBJ: ASG Legislation – S.B.F. 2012-2013/3 “Scholarly Travel Activity and Research Act”

I am in receipt of this legislation that indicates that it will create more opportunities for students to present research and increase national recognition for Texas State. The pilot program will be called the Rising STAR Grant and \$25,000 will be allocated for the program. I am in complete support of this pilot program as it will assist students to pursue greater academic achievement and further their research efforts. The Associated Student Government was awarded \$25,000 in one time funds on September 7, 2012 to create this pilot program for this fiscal year.

If you have questions, please contact me.
