Karla Reyes Fierros, an undergraduate student at Texas State University, is conducting a research study to obtain feedback from Psychology Majors and Minors and students in the Honors College at Texas State University about the type of courses they have taken or are interested in taking. You are being asked to complete this survey because you are a Psychology Major or Minor, or a student in the Honors College.

Participation is voluntary. The survey will take approximately 5 minutes complete. You must be at least 18 years old to take this survey.

This study involves no foreseeable serious risks. We ask that you try to answer all questions; however, if there are any items that make you uncomfortable or that you would prefer to skip, please leave the answer blank. Your responses are anonymous. There are no direct benefits to the participant. However, it could help to inform future course offerings in the Psychology Department and/or Honors College.

Reasonable efforts will be made to keep the personal information in your research record private and confidential. Any identifiable information obtained in connection with this study will remain confidential and will be disclosed only with your permission or as required by law. The members of the research team and the Texas State University Office of Research Compliance (ORC) may access the data. The ORC monitors research studies to protect the rights and welfare of research participants.

Data will be kept for three years (per federal regulations) after the study is completed and then destroyed.

If you wish to participate in this research, please follow this link: https://txstate.co1.qualtrics.com/jfe/form/SV_bOcqgXF5aOv01O5
