

Drop Refunds

Dropping and withdrawing are two very different actions and the refund schedules are NOT similar. **Dropping** a class is defined as removing one or more classes from your schedule, while **remaining enrolled in at least one course**. Reducing semester credit hours to zero is considered a withdrawal, and withdrawal refund policies apply.

Refund of applicable tuition and required fees will be made for classes dropped on or before the class census date. No refund is made for classes dropped after census. Please refer to the refund schedule below for appropriate deadlines.
