Date: January 22, 2013
Re: Response to ASG Legislation: S.R.F. 2012-2013/4, "A Resolution Calling for Change to the Athletic Event Re-Entry Policy"

In response to ASG Legislation: S.R.F. 2012-2013/4, "A Resolution Calling for Change to the Athletic Event Re-Entry Policy": This policy was researched, using data and information from institutions of similar size, composition, and NCAA Division I (FBS) status and it was found that several other institutions have policies similar to Texas State and a re-entry policy was not found to be beneficial in terms of attendance, overall enjoyment, and/or security at said sporting events. Therefore, the decision was made against changing the Athletic Event Re-Entry Policy.
