Texas Education Code Section 61.822 requires that Texas public institutions facilitate the transferability of lowerdivision course credit through the Core Curriculum. The Core Curriculum contains nine Foundational Component Areas (42 hours), which every Texas State student must satisfy to graduate.

Texas State is a participant in the *Texas Common Course Numbering System (TCCNS)*. Use the TCCNS to find courses you can take at your institution to ensure transfer of credit toward freshman- and sophomore-level degree requirements at Texas State.

*Students will receive Core credit at Texas State for any course successfully completed in the Core Curriculum of the sending institution.*

**BFA ACTING ADMITTANCE REQUIREMENTS**

Admission to the B.F.A. in Theatre with an emphasis in Acting is highly competitive and based on an audition/interview with the Bachelor of Fine Arts Review Committee. Prospective students audition during their senior year of high school. Interested transfer students must contact the Head of Acting to see if there are any available slots in their class level; typically, transfer students require more than the usual 4 years to complete their degree. Students in the program are always on probation, with their work and progress continually evaluated. There is a formal review at the end of the sophomore year that determines whether each student may advance to the upper-level training.

A minimum of 4 years of residency at Texas State is required for this degree.

**UNIVERSITY ADMISSION:**

1. Submit a completed application, all supporting documents, including an official high school transcript and transcript(s) from every institution attended and application fee, to the Office of Undergraduate Admissions by the stated priority date.

2. For students with fewer than 30 transferable hours: minimum 2.0 GPA in all transferable coursework and meet freshman admission standards.

   For students with more than 30 transferable hours: minimum 2.25 GPA in all transferable
coursework, eligible to return to all previous institutions, and be at least one semester out of high school.

Students transferring to Texas State from a community college may elect to follow the Texas State undergraduate catalog that was in effect at the time they enrolled at their community college. Students may also, with the approval of their College Dean, follow a subsequent catalog. Students are reminded to refer to their designated catalog for information related to University requirements for curriculum, graduation, probation/suspension, and other general information.
