BS – Construction Science (SC-BSCMG/BUS)

2020 Catalog year: College of Science and Engineering

This is not an official degree audit and it is subject to change. This chart is intended to be used by students who start out at Texas State. Please contact the College of Science and Engineering Undergraduate Advising Center for advising.

Note: In addition to major courses, students must also complete all core and minor requirements (if applicable) and any other requirements for graduation.

Students must complete pre-construction courses (shaded blue) with a grade of “C” or higher and have a 2.50 GPA or higher on pre-construction coursework before applying to the Construction Science and Management program. Transfer coursework must be a “C” or higher to count towards degree.

The following codes:
- F = Fall
- S = Spring
- Su = Summer Session I or II

KEY:
- Arrows indicate prerequisites.
- Arrows with dotted lines indicate co-requisites.
- Arrows with dash lines are recommended prerequisites.
- Courses taught in specific semesters are indicated with the following codes:
  - F = Fall
  - S = Spring
  - Su = Summer Session I or II
