Presentation of Honorary Degree

Robert Earl Maxwell

*Thursday, May 13, 2021
6:00 p.m. Ceremony*

During this evening's commencement ceremony, an honorary doctoral degree will be awarded to Mr. Robert Earl Maxwell. He will receive the Doctor of Laws, *honoris causa*.

A remarkable supporter of health science education programs in higher education and Texas State University, Mr. Maxwell was Chief Executive Officer (CEO) of St. David's Foundation, which experienced tremendous growth during Mr. Maxwell's leadership and is now one of the 10 largest health charities in the country. He served the foundation as both CEO and a board member for 20 years.

The foundation's grant program increased from \$9 million to more than \$82 million, annually during Mr. Maxwell's tenure. The foundation supports health science education programs in the region, including Texas State's St. David's School of Nursing, The University of Texas at Austin, Texas A&M Health Science Center in Round Rock, Concordia University Texas, Austin Community College, and Capital IDEA.

During the time Mr. Maxwell was a Board Member, Texas State received its first gift from the foundation of \$6 million to establish the St. David's School of Nursing. Under Mr. Maxwell's leadership, that amount grew to an additional \$10.1 million from the St. David's Foundation. This includes \$2 million in 2013 to establish the first graduate program in the St. David's School of Nursing, the Master of Science in Nursing degree with a major in Family Nurse Practitioner; \$5 million in 2015 to assist with the construction of Willow Hall, a health professions building on the Round Rock Campus; and \$3.1 million in 2016 to establish two new master's degrees, a Master of Science in Nursing degree with a major in Leadership and Administration in Nursing, and a Master of Science in Nursing degree with a major in Psychiatric Mental Health Nurse Practitioner. The 2016 gift included \$1 million for nursing scholarships. Overall, Texas State has received more than \$16 million from the St. David's Foundation.

Mr. Maxwell is also a founding member of the Austin Community College Foundation. In honor of his service to Austin Community College, the Earl Maxwell Endowment was established by the firm Maxwell Locke & Ritter LLP, an Austin-based, locally owned and managed accounting and consulting firm. The endowment provides scholarships to students with financial need pursuing degrees in Accounting, Business Administration, Financial Management, Management, or Marketing.

Mr. Maxwell earned a Bachelor of Business degree in Accounting from the University of Houston and is a Certified Public Accountant. He was a founding partner of Maxwell Locke & Ritter LLP. He has over 31 years in public accounting, including 14 years with the firm Deloitte & Touche LLP. He is the author of *Service, Prosperity and Sanity*.

SPOTLIGHT ON RISING STARS

Texas State University is a university with a passion for hands-on academic learning and applied research. Texas State's mission is to create new knowledge, embrace a diversity of people and ideas, foster cultural and economic development, and prepare its graduates to participate fully and freely as citizens of Texas, the nation, and the world. This mission is furthered by the recognition that the university is a unique source of ideas and knowledge with commercial potential and entrepreneurial activities that will better prepare our students for careers and drive new economic growth in the state of Texas and beyond. Toward the realization of these ideals, Texas State created the Center for Innovation and Entrepreneurship (CIE) in September 2020 to foster cross-disciplinary collaboration in the pursuit and development of new ideas.

The goals of the CIE are to support a growing ecosystem of innovation and entrepreneurship across the university and assist the launch of new ventures that bring new bold and creative ideas to life. In order to advance these goals, the CIE serves as a nexus connecting and supporting students, faculty, and the university community with essential skills and resources to be the next generation of great innovators and entrepreneurs.

Our innovation and entrepreneurship programs operate at the intersection of theory and practice combining classroom and experiential learning opportunities to engage students from all disciplines in the practice of creating value from new ideas and new opportunities. Entrepreneurial thinking fosters an intellectual curiosity and confidence that drives innovation, inspires creative solutions, and prepares our students to thrive in a rapidly changing and complex world, regardless of context. Examples of such innovation are launching a new business, empowering change as an intrapreneur, and inspiring social change. Texas State's strategic goals are advanced by the CIE by enhancing the university as a leader in innovation and entrepreneurship, focusing investments on ground-breaking research in these areas and anchoring Texas State's position in the Texas Innovation Corridor to empower the next generation of innovators and entrepreneurs.

Message from the Alumni Association President

Congratulations, Bobcats! It is my pleasure as your President of the Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family. As you embark on the next phase of your life, remember you are not alone – you are now one of over 209,000 Bobcats worldwide! The purpose of the Alumni Association is to increase the connection alumni have with Texas State and provide opportunities for alumni to connect to one another through their shared experiences in life and at our beautiful university. I encourage you to take advantage of the great programs and events the Alumni Association sponsors and organizes. To get started, here are some easy ways to get involved:

- Engage with other alumni through our online communities. Connect with the Bobcat Network on social media, sharing your story with us on Facebook, Instagram, or Twitter, and staying informed about what is happening at Texas State. Discover all that Texas State has to offer you not just now, but for a lifetime. For example, looking for a job? Texas State Career Services are available to alumni, too, and we have an active LinkedIn community!
- Connect with Texas State. Texas State University wouldn't be the establishment it is today without the alumni that help support our mission. The value of your degree is enhanced by the number of alumni who give back to the University, and there are many ways to do so. Volunteering with the Association or your college/department, serving as an advocate for Texas State by recruiting prospective Bobcats, or contributing to the university during Step Up for State (our annual day-of-giving), are all great ways to support the Texas State Community.
- Represent your Bobcat pride wherever your path takes you. Joining the Alumni Association is the perfect way to demonstrate your Bobcat Pride and Spirit, gain access to a variety of benefits, and create a lasting legacy. Your membership helps you remain a vital part of the Bobcat experience by powering alumni programming, strengthening the University and enhancing student life. Special rates are available exclusively for new graduates to help you begin your journey toward becoming a dedicated alumnus.
- Be Involved. Whether participating in a Texas State Alumni Network, attending alumni or athletic events, you can join thousands of alumni who work together to preserve the excellence of Texas State University.

You worked hard to earn your degree, and your alma mater is proud of you. Remember, our slogan of “Once a Bobcat, always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be a part of your Alumni Association, demonstrate your Bobcat Pride, and get to know the Alumni Association today at alumni.txstate.edu. I wish you all the best on your post-graduation endeavors, and I hope to meet many of you at future alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University. Once a Bobcat, always a Bobcat!
