Absent: Dr. Margaret Menninger, Mr. Gordon Green, Dr. Jaymeen Shah, Dr. Joanne Smith, Ms. Alisha Mohammed, Mr. Andrew Hill, and Mr. Rickey Lattie.

Approve Minutes

Ms. Nusbaum asked if members had any changes to the minutes of the January 20, 2016, meeting. No changes reported, minutes approved.

President Cabinet Update

Ms. Nusbaum mentioned that the recommendations from the last meeting will go to President’s Cabinet.

Recommendation to Letter of Concern

Mr. Prentice provided a recommended response from TSAC to the letter of concern received from Mr. Enrique Macias. TSAC members suggested deleting the sentence referring to shuttle stops. (Note: The correction was made and the letter was mailed February 22, 2016.)

New Engineering Construction

Mr. Prentice provided handouts addressing effects of the Engineering construction on parking. Mr. Prentice explained that there would be an initial loss of 95 green spaces and 34 red spaces due to construction. He recommended converting 28 spaces in Lot 115 to red, 30 green spaces in Wood Street Garage to red, and dedicating 80 more spaces in Edward Gary Street Garage to green. The total loss of green spaces would be 45 and the total gain of red spaces would be 24. Mr. Anthony Galo suggested to wait until the fall to address the conversion. Mr. Prentice agreed.

New Business

Ms. Nusbaum mentioned that the Campus Master Plan Consultants will be back on campus March 3rd and March 4th. An email will be sent to TSAC members asking for their available times.

Ms. Nusbaum also mentioned that an email notice will go out to remind everyone of the Loop 82 Construction/ Road Access and closure on Aquaarena Springs beginning February 22, 2016.
