Student Government Cabinet Statement: Iconic Village Apartment Fire

A Letter of Sympathy

Dear Fellow Bobcats and our San Marcos Community,

The Student Government Cabinet has been made aware of the tragedy that took place over the weekend in San Marcos, at the Iconic Village and Vintage Pad Apartments. Ruben, I, and members of the cabinet would like you to know that our thoughts and prayers are with you and that we extend our deepest sympathies to those affected especially those who had a loved one pass. Disasters leave a long impression due to the destruction of the population it effects. However, in true Bobcat spirit, our community has rallied to help those in need. Together we, as family and friends of those affected, must continue to have this same energy of love and empathy to help restore our home and bring comfort to those affected by this event. The university is offering many resources to those who have found themselves impacted at the link below. <http://safety.txstate.edu/emergency-communications.html>.

May we all find the strength to find comfort and peace after this unfortunate tragedy.

"You gain strength, courage, and confidence by every experience in which you really stop to look fear in the face. You are able to say to yourself, 'I lived through this horror. I can take the next thing that comes along.'" - Eleanor Roosevelt

Sincerely,
Brooklyn Boreing & Ruben Becerra
