

PROPER SWIM ATTIRE

Bathing Suits

Yes

Bathing suits are designed to be quick-drying and are generally made from smooth polyester or nylon material. They are durable and hold up to wear from contact with pool chemicals.

Athletic / Gym Shorts

No

No gym shorts (i.e. under armour, mesh, basketball, soffe). Lining in shorts does not qualify as appropriate swimwear. Inappropriate attire damages our pumps and chemicals.

Lifeguard Gear

Any Lifeguard apparel is not allowed due to liability reasons.
