CRITICAL UNDERGRADUATE INFORMATION

- Twenty-four of the last thirty hours must be taken with Texas State.
- An individual must have a minimum of twenty-four advanced hours with Texas State and an overall total of thirty-six advanced hours to graduate.
- A minimum of 120 hours is required for the degree.
- Up to 6 semester hours may be taken at the junior college after obtaining the initial 66 hours and/or are in the last 30 hours of degree completion. **This must be with the Departmental Chair's written permission. Students must complete the Petition to Return to Another Institution and must be submitted 30 days prior to campus registration.** The petition can be found at www.owls.txstate.edu, click on resources, then student resources, then Petition to Return to Another Institution. Students must have completed CTE3313E/OCED 4350 and have a finalized degree plan on file to submit the petition.
- Students should consider the correspondence option prior to requesting a return to the junior college.
- A maximum of thirty semester hours for Texas State credit may be completed through a combination of correspondence and extension courses. Ex: if a student enrolls in the Certified Public Manager Program and completes the 21 hour program, then the student would be eligible to take only 9 hours by Correspondence.

TEXAS STATE E-MAIL ACCOUNT

Students are **REQUIRED** to obtain a Texas State e-mail account. Those students who do not have a Texas State e-mail account will not receive emergency information, updates or announcements from the department. Students who are currently enrolled can obtain an account online at https://ssb.txstate.edu/prod/twbkwbis.P_WWWLogin. Check your e-mail account often.

RETURNING TO A JUNIOR COLLEGE

If a student desires to return to a junior college and has over 66 junior college hours and/or is in the last 30 hours of completion of the BAAS degree, written permission **must be** requested 30 days before the semester begins. Petition forms may be obtained on our web site at www.owls.txstate.edu, click on Resources, then Student Resources, then Petition to Return to Another Institution. Students must have a signed official degree audit on file in order to process request.

SUBSTITUTION OF COURSES

Students must enroll **ONLY** in classes specifically listed on their degree plans. To request a substitution, students must contact one of the OWLS advisors. Requests for substitutions must be received at least two weeks before registration. Courses that are taken that are not specifically listed on the degree plan once it has been approved will automatically be placed in the electives. DO NOT take any courses not listed on the degree plan without prior approval from the Chair. ADVISORS CANNOT APPROVE COURSE SUBSTITUTIONS.

Please note: requests for substitutions does not constitute approval! Students should allow at least two weeks for a response. Valid reasons for substitutions are: 1) course is no longer in the department inventory; 2) student is prohibited from enrolling in the course due to change in department rules which makes the student ineligible and; 3) student is in the last semester of the degree and no other option exists, including correspondence courses.

IMPORTANT DATES

Please refer to the Academic Calendar at <http://www.registrar.txstate.edu/persistent-links/academic-calendar.html> for payment deadlines and other important information/deadlines.

Please include your Texas State ID (A0.....) on all e-mails.

CORRESPONDENCE COURSES

Undergraduate students may take up to 18 semester hours by correspondence. However, if the student is also taking courses by Extension then the maximum allowable hours for correspondence will be reduced so the student does not go over the rule “maximum of 30 semester hours for Texas State credit may be completed through a combination of correspondence and extension courses”. Students have up to 9 months to complete the courses, and tests may be administered at remote locations. Listing of courses offered can be found at <http://www.ideal.txstate.edu/correspondence>
