- Get answers to questions regarding any business process or services you use.
- Participate in fun ways to win great prizes!

Fair attendance can be considered work time, with supervisor approval. If you require accommodations due to a disability in order to participate, please contact 5.7899 at least 72 hours in advance of the event. Learn more on the Staff Resources website.
COMING SOON

TXST Employee Development Certifications

Contact Organizational Development & Communications at 57899 or hr_odc@txstate.edu for more information.
INSURANCE CHANGES
Effective September 1st

All changes made during summer enrollment are effective September 1 and premium changes will be reflected on your October 1 paycheck. If you added a new plan or increased TexFlex dollars, you can begin using them as of September 1.

Please review your benefits statement in your ERS Online account at www.ers.texas.gov to ensure the changes you made during summer enrollment are in place. If you see any errors, contact the Benefits staff in Human Resources as soon as possible. If you wait too long to contact us, we may not be able to correct the error.

If you added a new dependent to your plan, be on the lookout for the Dependent Eligibility Audit notification and be sure to provide the necessary documents to Alight Solutions to ensure your dependents remain covered. Failure to provide all of the required documents will result in your dependent being dropped from coverage!

For additional information, please contact the Benefits staff at 5.2557 or hr@txstate.edu.
An increase in pay is a great time to consider starting or increasing your contribution to a voluntary retirement savings plan. You can enroll or change contributions at any time throughout the year. Visit our Retirement Programs website to find out more or stop by JCK 360 to chat with a Benefits team member. You can also speak with representatives from our approved companies at the TXST Employee Wellness Fair on October 10, 2019 in the LBJSC.
Great News for Parents!

Expecting parents that are covered under HealthSelect are eligible for a FREE breast milk pump through insurance. You can simply place your order online or call for assistance over the phone! Please keep in mind that you won’t be able to place the order more than 30 days in advance of the birth of your baby. Please see the list of eligible vendors listed to the right.

Eligible Vendors

- **Byrum Healthcare** | 888.945.9207
- **Edgepark** | 855.504.2099
- **McKesson** | 855.716.2212
- **A Breast Pump and More** | 855.786.7296
  (This company also has a physical location in Austin.)

Human Resources
As a library assistant in the Information and Undergraduate Services (IUS) unit, Jason staffs the Research and Information (R&I) Desk an average of 15 hours per week, supervises, hires and manages R&I student workers, and plans and participates in IUS events and programming.

Jason is a customer service star at the R&I Desk where he interacts with students, staff, and faculty. He can relate with anyone in a matter of seconds and put them at ease. Not only can he find the perfect peer-reviewed article for the procrastinating college student 2 hours before a deadline, but he is known to do it with an easy demeanor and a fun fact or joke to go along with it. Students come to the desk stressed out and Jason raises the bar for providing excellent customer service and student support at Alkek Library. Texas State students appreciate Jason and his willingness to go out of his way to help people in any way.

Beyond his customer service excellence, Jason’s confidence in leading tour groups and US 1100 library sessions is fantastic. He’s flexible for the on-the-spot student tours needing a quick rundown of everything Alkek has to offer. He’s also an excellent introduction to any future or current Bobcat visiting the Alkek Library for the first time.

Jason stands far apart from the pack as a customer service icon who generates joy through helping library patrons. He is an individual who clearly cares about each interaction he has with patrons. He is kind, understanding and goes above and beyond to troubleshoot and solve problems, help students with finding library resources, and answering any questions that library patrons have.

As a supervisor Jason is approachable, understanding, and patient with the constantly fluctuating schedule of busy college students. Jason is also a reliable coworker who is ready to aid any student or staff member who needs assistance. Jason handles a vast range of inquiries at a fast pace with ease and humor.

An example of Jason’s customer service is when a professor came to the desk with an issue regarding the library’s access to a subscription service that had been cut. Even though the patron came to the desk flustered and frustrated, Jason was able to help the professor figure out why the access was no longer available. Although Jason could not fix the issue for the professor, he was able to help explain what happened. Jason makes people feel like he advocates for them and that he is on their side. His patience and determination to help find answers made a difference, both in deescalating a frustrating situation and leaving patrons feeling heard. That matters in building relationships with the campus community at Texas State.

Congratulations, Jason, on your dedication and hard work!
HR Crossword Puzzle

Readers are invited to have some fun completing our HR crossword puzzle! Print this out, fill it in with answers found in this month’s bulletin, and send it in. Scan or send a picture of your completed puzzle to hr@txstate.edu, by September 10th. Five random puzzle winners with all the correct answers will receive a prize from HR!
