Discussion of Candidates for VPFISS

President Trauth discussed the Vice President for Finance and Support Services candidate search and the credentials of the candidates that participated in the on-campus interviews for the position.

Campus Carry

Dr. Brittain presented a proposed timeline and an inclusive process to use to develop rules relating to the implementation of the campus carry legislation at Texas State University. Cabinet members made suggestions to incorporate in the proposed timeline and process.

Legislative Agenda (#2)

Mr. Nance discussed comments that Texas Governor Greg Abbott made when he signed legislation relating to the B-On-Time fund and raised concerns regarding the impact the remarks could have on FY 2016 budget planning.

Dr. Brittain circulated a handout that summarized the status of relevant legislation at the end of the 84th Legislative Session. Cabinet members discussed each bill and determined which division will have primary responsibility for implementation of the legislation.

President's Update (#556)

President Trauth discussed media requests received about the University of Texas decision to sell alcohol at certain sporting events and what plans, if any, Texas State University had in that regard.

Significant Issues (#01)

Dr. Feakes announced that a national conference presentation of her research on the role of adjunct faculty members was well received.

Dr. Smith announced that all flood victims that are being housed in dormitories will be relocated before July 5, 2015.
