**Publication Opportunity:** [www.txstate.edu/undergraduate research/txstur](http://www.txstate.edu/undergraduate research/txstur) The Texas State Undergraduate Research Journal, otherwise known as TXSTUR, provides an outlet for undergraduates in all disciplines to publish original work. They encourage students to submit excellent papers written for classes, research supported by the Undergraduate Research Fellowships, adapted portions of their theses or capstone projects, or any other research-based writing they believe is of publishable merit. All TXSTUR articles are peer-reviewed by a student editorial board and a faculty expert. TXSTUR is currently published online and in print. TXSTUR accepts submissions all year round, but the deadline to be considered for the Spring 2020 issue is February 10th, 2020.
