User Guide Overview

Document Scope
This CitiManager® Site User Guide provides detailed step-by-step instructions for the most common CitiManager Site functions used by Cardholders.

Your Access and Configuration May Vary
The functions you have access to are based on your role and entitlements. You may not have entitlements for all the functions described in this User Guide. Some fields are defined at the company level so there may be variances in what is described in this User Guide based on your company's setup.
Navigation Overview

Basic Navigation

Key Concepts

After you log in to the CitiManager Site, the Home screen displays. The Home screen acts as a dashboard and displays a high level metric summary of your account — including your credit limit, total balance and available credit. You can also view recent transactions that have posted since your last statement. Use the navigation options from the header and the side navigation bar as well as quick links to navigate to additional account information and preferences.

2. Access My Profile functions or sign out of the CitiManager Site.  
3. View the Message Board. |
| Screen Components | 4. View high-level account metrics such as credit limit, available credit, current balance and amount due. If your organization allows you to make payments, the Make a Payment link displays. For centrally billed accounts, the amount due by your company displays.  
5. Use the account drop-down arrow to toggle between card accounts if you have more than one.  
6. Use the quick links to navigate to the Statements and Alerts screens.  
7. View list of transactions that posted since your last statement.  
8. Use the search field to perform a basic transaction search by the details, amount or date or click the Advanced Search link to narrow your search.  
9. Click the > Forward arrow to navigate to the Statements screen. |
10. Click the **Home** button to return to the **Home** screen.

11. Click the **Cards** button to view an overview of your card account, payment information, statements, aging of balance, recent transactions and your card contact information.

12. Click the **Statements** button to select a monthly statement to view and also view recent activity, change your paperless settings and view disputes.

13. Click the **Resources** button to view messages, access FAQs and Links & Help.

14. Click the **Tools** button to navigate to other online tools if you have access.

15. Click the **Alerts** button to manage your alert subscriptions, view the audit log and view on-demand mobile alert information.
My Profile Overview

Description

The My Profile screen allows you to access links that are used to view your user role, hierarchy and entitlements. Additionally, you may update the following depending on your entitlements:

- CitiManager Site contact details
- User preferences such as language, date and time format and currency
- Password
- Reset challenge questions
- Merge CitiManager Site user names if you have more than one
- Change your primary company if you are assigned more than one
- Link/Unlink another card account
- Assign/Unassign Alternate user
- View application and maintenance request history

Getting Started

What is CitiManager?

Description

The CitiManager Site is a powerful online tool that allows Cardholders to view and manage their account at any time. Based on your company’s set up, some of the key self-service activities may include:

- Retrieve a forgotten username or password
- View recent activity and current and past statements
- View credit limits, total balances and transaction level detail
- Make a payment
- Request a refund
- Manage e-mail and mobile alerts
- Dispute a transaction and view the dispute once it’s submitted
- Manage preferences and update contact information

For companies that have the Registration ID and Passcode feature turned on, the CitiManager Site will send you Registration ID and Passcode e-mails once activity is recorded on your Cardholder account. Once received, you can complete the CitiManager Site self-registration process to access your account details.
Apply for Card Using an Invitation Passcode

Key Concepts

Before you can apply for a new card, an Invitation Passcode and the inviter’s e-mail address are required. Both are obtained from your Program Administrator.

Once you have submitted your application, you will receive a confirmation message when the necessary approvals have been received, either from a Supervisor and/or Program Administrator.

You can view the status of your application in the CitiManager Site by using the username and passcode created during the application process to log in and navigate to My Profile > Request History. Refer to the View Application and Maintenance Request History topic in this user guide for additional information.

Once your card application is approved, the account will be linked to the CitiManager Site username and password that was created during the application process. This will allow you to log in to the CitiManager Site to view balances, credit limits, statements and perform other self-service tasks.

**Self-register as a Cardholder**

**Key Concepts**

As a Cardholder it’s possible to self-register for the CitiManager Site so you can view your account information, view statements and balances and perform other self-service tasks such as updating your alerts.

There are two possible self-registration options for Cardholders. The option used is based on your organization’s set-up. You will use one of the following options:

- **Registration ID and Passcode** – If your organization uses this option, Citi will send you two e-mails once a transaction has posted to your account. You will receive one e-mail with your Registration ID and another with your Registration Passcode. These e-mails are required during the registration process. Once you receive your registration details, you must register within 60 days or your details will expire. You will be reminded every 15 days until your registration is complete.

- **Card Details** – Use the details from your card account. You will need your card number, account name and address. The account name, address and zip code must match exactly what appears on your billing statement.

Log In/Out of the CitiManager Site

Key Concepts

In order to access your account information in the CitiManager Site, you must login to the application using a valid username and password and then answer a challenge question.

As an additional layer of security, you may be required to enter a one-time passcode (OTP) during the login process. The CitiManager Site will assess the risk based on your previous login history. This additional step of authentication will not be necessary for every login.

If you cannot remember your username or password, refer to the Retrieve Forgotten Username or Reset Forgotten Password topics in this user guide.

If you need additional information about CitiManager Site self-registration, refer to the Self-register as a Cardholder topic in this user guide.

When logging out of the CitiManager Site, be sure to use the Sign Out link so the system closes all your current session information properly.

Do not close the CitiManager Site by clicking the browser or tab Close [X] button. Even though the browser/tab closes, your session remains open. You will either need to clear your cache or close your browser to end the session.

You will be automatically logged out of the CitiManager Site after 15 minutes of inactivity. If you receive an expiration warning message, you can click the OK button to keep your session open.

Make a Payment

Key Concepts

If your organization allows it, you can make an online payment. If paying from a Savings account and/or Credit Union, ensure your financial institution supports automated payments.

Before you can make a payment online you must enter your banking account information. The required information includes:

- Your bank routing number
- Your checking or savings account number

You may choose from the following payment amount options:

Payment requests received by 4:00 p.m. Eastern Time (ET) on a bank business day are posted to your Citibank Card account on the same day.

Payment requests received after 4:00 p.m. ET on a bank business day will post the next business day.

Business days are Monday through Friday, excluding federal holidays.

For additional information about viewing your payment history, refer to the View Scheduled and Past Payments (View Payment History) topic in this user guide.

Alerts

Manage Alert Subscriptions

Key Concepts

As a Cardholder, you can set alerts so notifications are automatically sent via e-mail and/or to your mobile device when certain selected activity occurs on your account, for example, when statements are available and when payments are received.

There are two types of alerts to which you can subscribe:

- **Transactional Alerts** — An alert is sent when a defined condition or threshold is met, for example an alert is triggered when a payment is received or when a defined percentage of your credit limit is met.
- **Account Alerts** — An alert is sent when there are status changes to your account, for example when your address is changed or when your statement is available.

It is possible to enter up to five e-mail addresses and customize when you will receive your alerts based on:

- Time zone
- Time of day
- Day of week

Once you have subscribed to mobile alerts in the CitiManager Site, you will receive a confirmation text message on your mobile device with a four-digit PIN. The four-digit PIN must be entered on the PIN confirmation number screen in the CitiManager Site. Once the PIN has been entered, the CitiManager Site will send another text to your mobile device confirming activation. The confirmation text message is sent any time you change or enter a new mobile phone number.

On-Demand Mobile Alerts

In addition, once you have registered your mobile device number in the CitiManager Site, you have full access to on-demand mobile alerts. On-demand mobile alerts allow you to request and receive immediate information such as account balances, payment amounts and due dates. Refer to the Manage On-demand Mobile Alerts topic in CitiManager Cardholder User Guide for additional information.

| ![Home Screen - Alerts](image) | 1. From the CitiManager Site side navigation bar, position your mouse over the Alerts button and then click the Alerts Subscription link.  
The Alerts Subscription screen displays. |
2. To enter/edit the email address(es) where you want alerts sent, click the Email Addresses – Edit link and complete the following steps when the Email Address Preferences window opens:
   
a) Type and confirm up to five email addresses.
   
b) Click the Save button.
3. To edit your mobile number, your mobile carrier, and your notification preferences, click the **Mobile Phone Number — Edit** link and complete the following steps when the **Mobile Number Preferences screen** opens:

   a) In the **Country Code** and **Mobile Number** field, type a valid mobile phone number where you wish alerts to be sent.

      **Note:** Only numeric values are allowed in this field. The country code defaults based on the country associated with your profile.

   b) Click in the **Supported Carriers** field and select your mobile carrier.

      **Note:** If Sprint is your carrier, you are automatically enrolled in this subscription notification. This is a requirement of Sprint. Canadian users are automatically enrolled in this subscription due to regulations in Canada.

   c) Click in the **Preferred Time Zone** field and select your preferred time zone.

   d) Click in the **From** and **To** fields and select the time-frame in which you would like to receive alerts.

   e) From the list of weekdays, select the days you would like to receive alerts.

   f) Click the **Save** button.
4. To subscribe to alerts, select the Email Alerts and/or SMS (Mobile Alerts) checkbox(es) for each of the alerts you wish to receive.

To unsubscribe to alerts, deselect the Email Alerts and/or SMS (Mobile Alerts) checkbox(es) for the alerts you no longer wish to receive.

**Note:** Some alerts may be greyed out and unavailable. Available alerts are set by your Program Administrator. Alerts that are selected and greyed out are mandatory.

For more information about each alert, click the information icon next to the alert name.

Some alerts require you to type or select a threshold setting that will trigger the alert. For example, for the Available Credit Remaining % alert, you must select the desired Available Credit Remaining %.

When the selected percent of remaining credit level is met, you will receive an alert.

5. When you are finished, review the terms and conditions at the bottom of the screen and if you agree, select the checkbox.

**Note:** If you do not agree to the terms and conditions, you will not be able to receive alerts.

6. Click the **Save** button.

The alerts settings are saved and a confirmation message displays at the top of the screen. The PIN confirmation number screen displays if you elected to receive alerts on your mobile device for the first time or you changed your mobile phone number.

**Note:** If you elected to receive alerts on your mobile device, you will receive a text message with a PIN. On the CitiManager Site PIN confirmation number screen, type the PIN number received on your mobile device in the **PIN confirmation number** field and click the **Confirm** button.
