Students eligible for the Guaranteed Price Plan (GPP) are new incoming freshman or transfer students as of Fall 2014. A student entering the GPP will pay a 12% premium on designated tuition (determined based on a total charge breakeven on 15 hours) per semester credit hour. Fees under the GPP will be charged at the same rates as they are for students on the Regular Plan in the semester in which the student entered the GPP. A student on the GPP will maintain those rates throughout the 4 years of the plan, even if the Board raises fees in the future. (In the event the board decreases fees, and adjustment must be made to comply with statute). Eligible students may opt-in to the plan at the beginning of any semester and may leave the plan at any time but may not re-enroll.

For the Summer Term(s), the designated tuition rate will be the same as the preceding semester's GPP rate but the fees will reflect the Summer '15 rates for the 1st Cohort for the entirety of the plan.
